The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively, to the following effect, (or orders made on them respectively, as follows):

Letter from Local Gov^t. Board – No 26855 – dated 8th mo^t. stating in reference to the complaint preferred against Relieving Officer Burke by Mr Mesle-Bagot, of the irregular manner in which he keeps his Outdoor Relief Book, that they are unable to concur with the Guardians in thinking the Relieving Officers explanation satisfactory. The Local Gov^t. Board desire to call the Guardians attention to the correspondence which took place last July respecting this Officer in which they

they recommended the Guardians to require his resignation. Having regard to the caution which Mr. Burke then received the Local Gov^t. Board are of opinion that the Guardians should at once call on him to resign and proceed to the appointment of a more satisfactory officer.

Orders. — The Guardians are unanimously of opinion, there was no fraud or intention to defraud on the part of the Relieving Officer, but consider it was carelessness arising from the fact of his having in a hurry transferred the applications weekly from the original which was quite correct; under these circumstances the Guardians hope the Local Gov^t. Board will not insist on his resignation as they are determined ~~of o~~, on any future occasion of neglect to act severly themselves. The Guardians consider him very fit for the position and apart from these accusations gave satisfaction.

Resolved.

That a Lady of the Order of Sisters of Mercy be invited to apply for the office of Matron of the Workhouse, now vacant, and that advertisements be issued accordingly. Salary to be £50 exclusive of rations. Election to be on this day three weeks.

Ordered.

The Guardians since their last meeting have been confirmed in their view of their resolution of 9th inst. as evidenced by the very satisfactory manner in which R. Offt Burke

submitted his Books for the Guardians inspection and the efficient way in which he discharged his other duties and bearing in mind that the neglect complained of ~~the charge against him had~~ occurred through ~~in an~~ inadvertence ~~manner and had no preceding or subsequent application to his case~~, the Guardians therefore earnestly request the Local Govt. Board to reconsider their decision with a view of allowing Mr. Burke to continue in office as it would be too hard to visit him so severely on such an offence.

Item Done stating that the Guardians should issue advertisements for a Matron in the usual way, inviting Candidates generally, as there is no authority for the limitation proposed in the Guardians resolution of 9th inst.
Ordered.

Advertisements to be issued in the usual way.
