

## **Disruptions to Supply 2012 / Sríanta sa tSoláthar 2012**

---

### **Water Supply In Carnmore Athenry Clarinbridge and Environs (Updated 9/5/2012 @ 5.30 p.m.) & 10/5/2012 @ 11.30 a.m.**

A serious burst has been discovered in the trunk watermain in Carnmore and in order to facilitate repairs a number of group water schemes in the area will experience a loss of supply. Repairs are expected to be completed by lunch time tomorrow. Areas affected :

Carnmore, Cashla, Moorpark, Castlelambert, Castle Ellen, Cartymore.

It is now expected that Athenry Town and possibly Clarinbridge will also be affected for a time today.

Repairs are underway at the moment and should be completed around lunch time today Thursday.

Galway County Council wish to apologise for any inconvenience caused.

### **Loughrea Public Water Supply Scheme (Updated 19/04/2012 @ 12.30 p.m.)**

Galway County Council wish to inform residents in Loughrea Town that due to a major leak and mechanical problems certain areas of the town will be without water today Thursday 19th April. The areas mostly affected are Danesfort, Dublin Road and Lake Road. Council staff are currently working on the problems and hope to restore water to these areas as soon as possible.

Galway County Council wish to apologise for any inconvenience caused

### **Area Served By Mid Galway Phase 4 Group Water Scheme (Updated 11/04/2012 @ 4.00 p.m.)**

There will be repair works taking place tomorrow 12<sup>th</sup> April 2012 near Attymon and as a result there will be an interruption to the water supply to the Group Scheme from 11.00 a.m. All areas of the scheme south of Attymon will be affected.

Any inconvenience caused is regretted.

**Area Served by Doughiska Group Water Supply Scheme (updated 10/04/2012 at 12.45 p.m.)**

Due to upgrading works on the Doughiska Group Water Scheme there will be an interruption to the water supply tomorrow 11<sup>th</sup> April 2012 from 10 a.m. until 4 p.m. All areas served by the scheme will be affected including Ardaun Estate, and Garraun North and South. The housing estates and businesses along the Doughiska Road within the City will not be affected  
Galway County Council wishes to apologise for any inconvenience caused.

**Public Supply in Glenamaddy (Updated 5/4/2012 @ 11.30 a.m.)**

There is currently a major watermain leak which will cause an interruption to the public supply in Glenamaddy principally along the Ballyhard Road and group schemes connected to the Glenamaddy Public Supply in this area. Repairs are expected to be completed by 4 p.m. today.  
Galway County Council wishes to apologise for any inconvenience caused.

**Public Supply in Clonbur-Cornamona Areas (Updated 12/3/2012 @ 1.00 p.m.)**

Due to metering works, there will be a series of minor disruptions to the public water supply serving the following schemes over the next four weeks:  
**Ardaun/Dooray; Gortnaglassa; Clonbur; Cloghbrack; Doorus; Cornamona; Maam Valley.**

The supply to Maam Valley will be disrupted for 24 hours on the 20<sup>th</sup> March 2012.

Galway County Council wishes to apologise for any inconvenience caused.
