A Chara,

We the Oranmore Development Association request a change of use on Folio No. 71743F on the Claregalway Rd next to the IDA park to a Recreational Amenity. These lands were purchased by Galway City Council in 2004 and have remained idle since. We would recommend that Galway County Council purchase the land or work jointly with the Galway City Council to provide the following much needed developments;

- Full size Hockey Pitch
- A Skateboard Park
- Miniature Golf Facility
- Children's Playground
- Outdoor Exercise Area
- Running/Walking Track
- Velodrome

All the amenities listed above are badly needed in the area. These facilities would cater for a great number of people living not only in Oranmore but also to people living in the east of the city and because of its proximity to the motorway, people further afield also.

Kind regards,

Tom Broderick
OCDA Chairman
