Context

Creator(s): Galway County Council

Archival History

Galway County Council Archives acquired this collection by official transfer from Galway County Council in 2002.

The registers are in fair condition. They have soft back covers, there is much sellotape throughout and there are some lost / torn pages.

Archivist's Note

Descriptive list prepared by Patria McWalter, Archivist, 2002

Scope and Content

Hand-written details on various awarded educational Scholarships, such as for University, Secondary School and Vocational Schools. Details include date of payment, name of school attending, name of Scholars and amount of yearly payments made to reach of total scholarship awarded. The payments are usually totalled at the end of a page.

Arrangement

Chronological

Non-Disclosure Requirement

As much of the information in this collection clearly identifies individuals researchers are required, in order to prevent possible distress or embarrassment to near descendants, to sign a non-disclosure form prior to consulting the records giving an undertaking not to disclose or cite specific names from these archives in research work.
