2016 – RESTORATION IMPROVEMENT:

The selection of projects for road improvement works is made on the basis of overall needs and priorities. Consideration is also given to the level of usage, category of vehicles served and the extent of deterioration in the road.

The total grant for 2016 amounts to **€10,030,462** which is the same as the grant allocated in 2015.

Approval has been granted to allocate a portion of this grant exclusively towards Community Involvement Schemes. It has been decided to allocate the same amount as the 2014 and 2015 allocation towards Improvement works - €9,803,000, with the balance of €227,462 to be set aside for Community Involvement Schemes. No notification of criteria for the 2016 CIS scheme has been received yet.

2016 - RESTORATION MAINTENANCE (SURFACE DRESSING):

The total grant for 2016 amounts to **€2,823,360** which is the same as the grant allocated in 2015. This grant is to meet expenditure on Surface Dressing within existing fencelines. Approval has been granted to allocate a portion of this grant exclusively towards Community Involvement Schemes. No notification of the criteria for the 2016 CIS scheme has been received yet.

In accordance with the Circular RLR 2/2012, maximum unit rates of €5.50/m² for Regional Roads and €4.50/m² for Local Roads have been applied by the DTTAS to the area of work proposed for surface dressing. Failure to comply with these rates may result in the “*cost difference*” being reallocated to others by the DTTAS.

MUNICIPAL DISTRICT	GRANT
Athenry/Oranmore	€243,360
Ballinasloe	€540,800
Conamara	€567,840

The list of works to be carried out in each Municipal District, utilising the 2016 Restoration Maintenance (Surface Dressing) Grant, are attached.

2016 - DISCRETIONARY MAINTENANCE:

The Discretionary Grant has decreased by €45,453, or 1% on the 2015 allocation.

Winter Maintenance –

The Discretionary allocation includes a discretionary allocation towards Winter Maintenance works.

It has been decided to allocate €265,000 towards Winter Maintenance on Non-National Roads in 2016, which was also the amount allocated in 2015.

Local Improvement Scheme/Tertiary Roads –

No separate allocation has been made available in 2016 towards Local Improvement Schemes. However there is an option to allocate a maximum of 15% of the 2016 Discretionary Grant towards Local Improvement Schemes, which would amount to €712,548.

The road condition survey of Local Roads, carried out in 2012 clearly indicated that a substantial number of Local Tertiary Roads were in very poor condition. It is recommended that funding from the Discretionary Grant be allocated specifically to the Local Tertiary Roads which have inhabited houses on them. This allocation would be divided across the Municipal Districts based on the normal division per km of road length.

Tertiary Roads –

Based on the above, an allocation of €750,000 has been set aside for the repair of Tertiary Roads in the County and is allocated on a per km of local roads basis per Municipal District. This equates to 16% of the total Discretionary Maintenance Grant allocation. The schedule of Tertiary Roads to be repaired in each Municipal District are attached.

MUNICIPAL DISTRICT	TERTIARY ROADS ALLOCATION
Athenry/Oranmore	€67,500
Ballinasloe	€150,000
Conamara	€150,000
Loughrea	€187,500
Tuam	€195,000
Total	€750,000

Contingency Fund –

At the specific request of the Department of Transport, Tourism and Sport, an allocation of €100,000 is being set aside as a contingency provision so as to deal with damage caused by severe weather conditions and other emergencies. A similar amount was set aside in 2015.

Regional Roads and Local Roads General Maintenance –

The funding allocated from the 2016 Discretionary Maintenance Grant towards Regional Roads General Maintenance has been maintained at the 2013 - 2015 level of €1,327,668. The Local Roads General Maintenance allocation has been maintained at the 2015 level of €1,697,153.

Bridges –

There is a specific grant allocated for Bridge Rehabilitation of €410,000, towards 8 specified bridges as detailed on page 17. This is an increase of €5,000 on the 2015 specific bridge rehabilitation allocation. It is proposed to allocate an additional amount of €360,500 from the Discretionary Grant towards the repair of bridges on Regional and Local Roads as detailed on page 18. The overall allocation towards repairs of Non-National Road Bridges is reduced from €800,000 in 2015 to €770,500, i.e. 4%.

Village Upgrade Scheme –

It was agreed in 2015 to make an allocation of €500,000 each year, for a period of 5 years, towards the upgrade and renewal of roads in 10 villages in the County. Following consultation, the villages below were selected for such works. Road upgrade works were completed in Cleggan and Eyrecourt in 2015 and it is proposed to proceed with the scheme in Oranmore and Kinvara in 2016.
