## **2014 - DISCRETIONARY MAINTENANCE:**

### **Winter Maintenance –**

The Discretionary Grant has increased by €1,042,180, or 28% on the 2013 allocation. However this allocation now also includes Winter Maintenance funding. In 2013 there was a specific allocation of €528,755 for Regional and Local Roads Winter Maintenance. The average cost of Regional and Local roads Winter Maintenance for the past two years was €300,000, and it is for this reason that €300,000 is being allocated in 2014.

### **Local Improvement Scheme/Tertiary Roads –**

No specific funding has been allocated in 2014 to the Local Improvement Scheme. However there is an option to allocate a maximum of 15% of the Discretionary Grant towards Local Improvement Schemes, which would amount to €721,050. The road condition survey of Local Roads, carried out in 2012 clearly indicated that a substantial number of Local Tertiary Roads were in very poor condition. It is recommended that this funding be allocated specifically to the Local Tertiary Roads which have inhabited houses on them. The funding would be divided across the areas based on the normal division per km of road length.

### **Tertiary Roads –**

Based on the above, an allocation of €750,000 has been set aside for the repair of Tertiary Roads in the County. This equates to 16% of the total Discretionary Maintenance Grant allocation. The list of Tertiary Roads to be repaired in each area are listed on Pages 30 - 34.

### **Historical Land Acquisition and Legal Fees –**

An allocation of €50,000 has been made for the purchase of land and relevant legal fees. These land acquisitions are historical with the legal process being completed and payments made now, in some cases many years after acquiring the land. It is no longer permissible to charge the costs of historical land acquisition to current Non-National grants.

### **Contingency Fund –**

At the specific request of the Department of Transport, Tourism and Sport, an allocation of €142,180 is being set aside as a contingency provision so as to deal with damage caused by severe weather conditions.

### **Regional Roads and Local Roads General Maintenance –**

The funding allocated from the 2014 Discretionary Maintenance Grant towards Regional and Local Roads General Maintenance has been maintained at the 2013 level of €1,637,152 and €1,327,668 respectively.

### **Bridges –**

The funding allocated towards the repair of bridges on Regional and Local Roads has been maintained at €800,000 matching the amount allocated in 2013, with €200,000 allocated by the Department under a Specific Improvement Grant, towards 5 specified bridges at Crusheen. An Cheathrú Rua, Baile an Donallan, An Cheathrú Rua, Aconeera, An Cheathrú Rua, Rafor, Loughrea and Crumlin, An Cheathrú Rua. €600,000 is being allocated to the repair of 22 bridges from the discretionary maintenance allocation as detailed on page 17.
