Dear Mr. Barrett,

We regret very much that owing to internal reorganisation in this Office, we will not require your Irish article after the 30th prox.

We wish to place on record our deep thanks and appreciation for the help and co-operation you have given down the years. We regret very much that owing to unforeseen circumstances this change has been necessary.

Again thanking you for your contributions in the past.

Yours sincerely,

N. Galvin,

P.P. Clare Champion Ltd
