Letter from The Poor Law Commissioners No. 205 dated 22nd February 1859, acknowledging Minutes of the Board's proceedings regarding the case of Martin Brien, and observing that when the man applied for relief at Portumna Workhouse it was considered necessary to place him in hospital and that it seems probable that the man may have been influenced by the course adopted by the Board of Guardians of Ballinasloe Union to proceed to Portumna for the purpose of applying for relief, and thereby rendered liable to punishment under the Vagrant Act, and the Portumna Union has had the responsibility of his relief cast upon it.

Letter from The Poor Law Commissioners No. 3598 dated 22nd February 1859, adverting to Minutes on the 9th instant

on the order that 6oz of Bread be allowed as supper to those women employed in the Laundry, and stating this allowance would be at variance with the General Workhouse Regulations, article 22, and that if ^{the} diet already framed be deemed insufficient it should be amended, but a difference of diet should not be made in favour of individual persons in the class, and observing that if the labour required of these women be too onerous for them to perform without danger to health the number of persons employed might be increased by judicious arrangements on the part of the Master.

At this stage of the proceedings The Lord of Clonsilla Chairman arrived and took the Chair.

The Rate Collectors Lists of defaulting Rate Payers having been submitted

That of Mr. Kelly was not considered as satisfactory as it should appear, also that of Mr. Madden who has not complied with the order of the Board, the other lists returned were considered satisfactory.

Resolved - that Mr. Madden be called upon to comply with the order of the Board on last day of meeting, and that he and the other Rate Collectors be called upon to close their accounts with as little delay as possible.

The woman and Relieving Officer being called before the Board and examined, it appeared that subsequent to her first admission she resided four years in the town of Ballinasloe from which place she was admitted to the Workhouse.

Ordered - That Mary Keefery be re-charged to Ballinasloe.
