Board's Minute

Read a letter from the Secretary of the Galway Sanatorium Committee dated the 20th. August, 1918 informing the Guardians that the Tuberoulosis Officer cannot possibly find time to attend any Dispensary in the Ballinasloe District, with the exception of Ballinasloe Dispensary, and if the Guardians cannot see their way to sanction the present arrangement the Committee will be compelled to cancel the Tuberculosis Dispensary at Ballinasles.

Proposed by Mr. P. Claffey (C), Seconded by Mr. Michael Gurley, and Resolved/- "That we consider the answer of the Tuberculosis Committee to our request that he visit the different Dispensaries in the Union as very inconsistent. The Committee states that Dr. O'Beirne is prepared to visit patients through the County in their own homes but cannot find "time to visit all Dispensaries.

They must realize that it would be much easier for him and a smaller "tax on his time to visit a Dispensary and see all the patients in the "District there, than to go to the several homes of such patients."

Letter from the Local Government Board No. 44409/1915 dated the 20th. August, 1915 acknowledging receipt of replies to their inquiries respecting the temporary employment of Mary Dunne as Laundress in the Workhouse of Ballinasloe Union, and stating that the Board have sanctioned the proposed payment of remuneration at the rate of Nine Shillings per week, and rations at the estimated weekly value of four shillings and one penny, the date on which she ceases to act should be carefully recorded on the Guardians' Minutes.

Letter from the Local Government Board No. 45,248/1915 dated the 20th. August, 1915 stating that they have had the Guardians Minutes of the 14th. instant before them, containing a further entry relative to the election of Mr. Bernard Connolly, as Assistant Clerk and, in reference thereto, the Local Government Board desire to state that they must adhere to the decision which the communicated to the Guardians in this case.

The Board desire to add that they cannot agree with the Guardians in considering that a person whose misconduct made it necessary for the Postal Authorities to deprive him of the position that he held in

Proposed by Mr. P. J. Parker, and seconded by Mr. John Whyms, and unanimously Resolved/- "That we regret that Local Government Board "adhere to their decision not to sanction the appointment of Mr. Bernard "Connelly to the position of Assistant Clerk to the Ballinasloe Board "of Guardians.

Without at all entering on the merits of the case of the Lawrencetown "Post Office of which Mr. Connolly's mother was depraved, we understand "that Mr. B. Gonnolly had no official connection with the Post Office "and should not therefore be penalized for his indirect connection with "the matter.

"Under the circumstances we again ask the Local Government Board "to reconsider their decision as to Mr. Connolly's appointment."

Letter from the Local Government Board No. 43,965 : 1915 dated the 20th August, 1915 adverting to the Guardians Minutes of the 7th instant and stating that if the proposed conversion of the Workhouse Hospital into a District Hospital under Section 90 of the Local Government (Ireland) Act, 1898 is carried out, the Hospital would still be a Poor Law Institution, and not available for the treatment of insured persons recommended for Sanatorium Benefit, and transmitting copies of the Board's circular letter of the 24th. April last, and pointing out that the proposal therein contained is to transfer the Union Fever Hospital to the District Council, which body could then provide it as a hospital for the treatment of infectious disease, and also of Tuberculosis. The procedure outlined might be carried out under the Poor Relief (Ireland) Act 1838, together with the Public Health (Ireland) Act, 1878.

THE BOARD WISH TO POINT OUT THAT THEY NEVER INTENDED THAT THE ISOLATION WARDS PROPOSED TO BE PROVIDED WOULD BE FOR INSURED PERSONS RECOMMENDED FOR SANATORIUM TREATMENT, BUT FOR NON-INSURED TUBERCULOSIS PATIENTS IN AN ADVANCED STATE, AND FOR WHOM THE COUNTY COUNCIL WOULD BE EMPOWERED TO PAY.

The Clerk stated that the Board had been specially convened to consider the Local Government Board's letter of the 10th. August. 1915 no. 39,979 referring to the Guardians Minutes of the 17th . ultimo referring to the change in the Distary Scale, and which was adjourned for further consideration at the Meeting of the Board of Guardians at their Meeting on the 18th. August last, when it was proposed by Mr. T. cahill, and Seconded by Mr. Michael Bohan, and Resolved/- "That we "protest in the strongest possible manner against the statement in "the letter of the Local Government Board that the proposed temporary changes in the Workhouse Dietary were framed to accommodate the meat "contractor and with a disregard for the interests of the inmates.

In framing this temporary dietary the Guardians were mindful "of the advice of the Board of Trade as to lessening the consumption "of meat in the Country, advice which the Members of the Board have "found necessary to adopt in their own homes as well as by the impossibility at the time of getting a full supply of fresh meat during "the whole week either by contract of purchase elsewhere. The Guardians "have never been disregardful of the interests of the inmates and "would remind the Local Government Board that it was this Board, elected "since the passing of the Local Government Act which first did away with "Indian Meal Dietary of the Famine Times and gave the inmates the meat "Distary, which in the present orisis they thought well to moderate. "The Guardians have before them to-day scales of distary recently "sanctioned by the Local Government Board both in the County and elsewhere and consider that the Ballinasloe Dietary with the proposed changes gives more than the very best of them - Galway for instance, and alround "a more nutritious Bistary for the inmates as well as been more suitable "as being in conformity with the recognized food of the classes outside, from which the inmates come.

We think this fully proves we are not disregardful of the interests.

Read the following correspondence in reference to Dr. Gavin's ilness:-

dentlemen,

I beg to report that as Dr. Gavin is still unable to resume duty owing to illness I found it necessary to continue the services of For. Brennan to discharge his duties, and who is doing so since the 25th-Rebruary last, with the exception of one week namely from 18th. to 25th "March last, at the remuneration of £4. 4. 0. a week." NORAH BEEGAN .

"Dear Mr. Gill,

I received your letter and am surprised at its contents. "I believed I was working the whole time for the Board of Guardians and "understood that same from Mr. Beegan, Relieving Officer. Should there "be any misunderstanding on the matter I was not aware. I feel sure your "Board will rectify it and consider my payment for ten weeks due on the "Srd. instant to be just and right.

I need not explain to you that I had of course to give the time necessary for the working of the District during that period, "which incurred a certain amount of expense and labour, being opened to "be called at any time day or might. Should the Guardians wish me to continue the work of the District during Dr. Gavin's illness, I shall do so, I feel your Board will treat me justly in the matter. Yours Faithfully,

J. BRENNAN."

"Main Street, Ballinasloe. 11th. September, 1915.

Dear Sir.

In reply to yours, though my four weeks leave was granted and my substitute sanctioned by the Local Government Board, I was unable "through continued illness to avail of it, and never notified the Board, "that I had done so. Dr. Rutherford was in the habit of giving "certificates periodically but it appears to have been overlookd for

### 23 CORRESPONDENCE.

From whom received, and Subject.

Sir Acheson MacGullagh, Local Government Inspector cam before the Meeting as to the Order of the Board of Guardians in only allowing the use of the Ballinasloe Dispensary to Dr. O'Beirne Tuberculosis Medical Officer on the conditions that he would attend each Dispensary in the Union, the Inspector pointed out to the Board that Dr. O'Beirne would be unable to attend each individual Dispensary, when after a lengthy discussion it was agreed to give the Dispensary for Dr. O'Beirne's use on the conditions that he will also visit the Kiltormer Dispensary, and the Ballydangan Dispensary once a month, and that the Sanatorium Committee be requested to have Dr. O'Beirne attend at these Dispensaries as well as Ballinasloe, otherwise they will not allow the useof the Ballinasloe Dispensary.

Sir Acheson MacCullagh also brought under the notice of the Board the large number of Defaulters under the Vaccination Acts, when the Olerk was directed to request the Relieving Officers to furnish the next Meeting of the Board with a list of all the Defaulters who have not complied with the law, when the Guardians will then take the matter into consideration as to the steps they will take to enforce.
