The Clerk stated that the following Labourers had signed Proposals with securities for the tenancy of the Plot of Land, proving the building of the Cottage at, 3 per week :-

The Board also observe that some of the tenders were at "per Irish perch", while others were at "per perch", now, apparently, being at per statute perch. The tenders accepted, too, were, at prices which appear to be liberal for fencing per Irish perch. The Council are therefore clearly not empowered to pay for statute perch, as proposed, in the cases where the tenders specified per Irish perch; and as there might be some ambiguity in the tenders which quoted a price per perch only, it appears to the Board that the most satisfactory course to follow would be to invite fresh tenders for fencing the plots for which

The Council by local that the works being now almost finished the Council decided to take no further action in the matter

the tenders accepted on the 2<sup>nd</sup> May were not at a better sum per plot.

Letter from Mr. L. D. R. No. L11943/12 dated 17<sup>th</sup> July 1908 requesting to be forwarded to the Department the Arbitrator's Certificate as to the amount of costs payable by the Council in respect of the attendance of Mr. H. Davidson, Solicitor, at the Arbitrator's Inquiry on 3<sup>rd</sup> Febry last.

Mr. Kempster, the Council's Engineer sent in the following certificates in favour of Contractors for Building Cottages:-  
Michael Treacy £ 27: 0: 0  
Chas Clarke £ 43: 4: 0  
Peter McKeigue £ 39: 8: 1  
Law Govey (Final) £ 11: 14: 0  
Mr Murray (Final) £ 12: 0: 0  
also 43 certificates in favour of Contractors for fencing amounting to £ 318. 15. 8

Mr. Kempster, the Council's Engineer, sent in his monthly report form 32 relative to the cottages and fences in course of construction which were noted: drawing attention to the fact that the Contractor for No. 41 fence has taken in 44 perches of land too much.
