REPORT OF THE COUNTY SURVEYOR TO THE BALLINASLOE NO 2 .
RURAL DISTRICT COUNCIL FOR THE QUARTER ENDED THE SOTH.
SEPTEMBER \*17.

Gentlemen.

Herewith I return Form 22 in which I have entered my recommendations as to proposals for payments and other decisions which I consider should be made by you in dealing with the quarterly instalments of the Contract amounts.

The condition of the public works contracts in the District is indicated by the recommendations in the Form from which may be seen that out of seven instalments deferred from last meeting, five may now be paid with some deductions and two struck off, and out of Sixteen instalmentscurrent for the quarter now being dealt with fifteen may be paid in full and one deferred in full.

Two special works instalments may be paid in part and part deferred.

At the time of the recent inspections the condition of the surfaces of the roads was as follows ;- of those being maintained by direct labour, two were good and eleven fair, and of those under contract three were good and five middling.

I am now preparing details and estimate for renewal of the Direct Labour Scheme and shall be glad to have your views as regards estimate. I assume you wish to provide for increased rates of wages and cost of materials which I consider to be about 25%. This of course includes increase upon Direct Labour and Contract amounts.

I am, Gentlemen, Your Obdt. Servant,

C. MILVANNY M. I. C. E.
County Surveyor.
