COUTY SURVEYOR'S REPORT FOR QUARTER ENDED THE SIST.

DECEMBER 1918.

Gentlemen,

Herewith I return Form 22 in which I have entered my recommendations as to proposals for payments and other decisions which I consider should be made by you in dealing with the Quarterly instalments of the Contract amounts.

The condition of the Public Works Contracts in the District is indicated by the recommendations in the Form, from which may be seen that the I4 instalments current for the Quarter now being dealt with, may be all paid in full.

As regards Special Works, 5 instalments deferred from last meeting may now be paid in part and part deferred.

At the time of the recent inspection the condition of the surfaces of the roads was as follows: - of those being maintained by Direct Labour 3 were good, 8 fair and 2 middling, and of those under Contract 2 were good, II fair and 3 middling. These latter will be attended to.

At this meeting you have to make an estimate of your probable expenditure upon roads and works for the coming financial year - to end the 31st March 1920.

The amount of your estimate will depend upon how you decide about an application made by the County Council on 21st.

Ulto. to pay increased wages to the men engaged at road work under Direct Labour Scheme. The County Council have no power

Note—Should any of the foregoing books or statements not be duly authenticated and submitted at the meeting, the names thereof should be struck out in red ink, and the cause of the omission should be explained on the Minutes

The following Letters from the Local Government Board for Ireland and others were read by the Clerk of the Council, and directions given to answer them respectively to the following effect (or Orders made on them respectively), as follows:—

you

to adopt the estimate and to obtain the sanction of the Local Government Board to extension of the limit to meet it.

Your obedient Se vant, C. MULVANY,

Co. Surveyor,.

THE CO. SURVEYOR'S REPORT WAS APPROVED OF AND THE LOCAL GOVERNMENT BOARD'S SANCTION IS RESPECTFULLY REQUESTED TO THE NECESSARY EXTENSION OF THE STATUTORY LIMIT.

Attached to the Co. Surveyor's report were the following proposals for works which the Council approved, and fixed Saturday the 22nd. Feb. 1919 for the Adjourned Quarterly meeting for the consideration of tenders. :=

"No. 19. To maintain for a period of two years, from Ist. April 1919 to the 31st. March 1921, 846 perches of the road from Athlone to Ballinasloe, commencing at the Birchgrove three roads and ending at Ardnaglug Bridge cross roads. Estimated yearly amount £20."

No. 20. To maintain for a period of two years from the Ist. April 1919 to the 31 st. March 1921, 695 perches of the road from Ballinasloe to Roscommon, commencing at the Township Boundary at Atticorra and ending at the Attyrory three roads.

Estimated yearly amount £48.

"To provide a sum of £23I to be used all or in part as may be required to carry into effect the resolution of the County Council to pay for increased cost of Labour and Materials for Road Maintenance by Direct abour for the financial year to end 3Ist March 1920."

power

to order you to increase the wages - it rests with you to decide - but they recommended the application to your favourable consideration.

per week for labourers. Then the Agricultural Wages Board, Ireland, after public inquiry fixed the Agricultural labourers 'wages at 20/- per week, and it is considered fair that the road workers should also get that wage, and they have been working at that rate since then. The Agricultural wages held another inquiry in November last and fixed 26/- per week for Agricultural labourers and the road men expect to be paid at this increased rate, which at the present cost of living only corresponds to about I3/- per week five years ago. I consider the increase should be given.

If you agree to this amount and corresponding increase to gangers, carters, materials etc. then the amount to be provided in your estimate would be as follows:-

ESTIMATE OF ROAD EXPENDITURE FOR BALLINASLOE NO 2 R.D. COUNCIL FOR THE FINANCIAL YEAR ENDENG THE 3IST. MARCH 1920.

Maintenance of roads included in Direct Labour Scheme, One year's amount £62I.

Maintenace of roads under contract

SPECIAL WORKS.
Existing Liabilities £19.
Estimated new proposals 50

TOTAL

£1,200.

This amount exceeds the present statutory limit by £257, but I fear the increase is unavoidable and I recommend you

"That the Co, Council be requested to obtain with the consent of the Local Government Board, a loan of £3,000 or such less sum as may be required. Repayable in six years of such period as the Local Government Board may arrange, to be used for the improvement by Steam - rolling, with aid of grant to be brought from Road Board, the road from Ballinasloe to Athlone in Ballinasloe Rural District".

Form 22 showed the fo	ollowing :-	
Amount payable for the Quarte	er on ROads	£52 - I5 - IO.
Recommended to be paid		52 - I5 - IO.
Amount payable on Works Recommended to be paid	£3I - IO.	£47 - IO - O.
" deferred	I6 - O.	£47 - I0 - 0.

The Council unanimously approved of the following resolution from the Resolution received from the Roscommon Co.

Council. "That we recommend to the District Councils of the County, the favourable considerations of the claims of the road gangers, labourers and carters, as it is evident that the present wages paid are inadequate owing to the high cost of living".
