The Clerk was directed to write to the Board of Works to know if they would recommend a loan for the purpose of erecting Artizans dwellings, on the terms for so doing had expired.

The following memorial was adopted.

To the River and Drainage Board  
The Memorial of the Town Commissioners of Ballinacorney

Sheweth, That there is at the present time great and pressing necessity for the employment of labourers in this town and neighbourhood, and that these may be obtained at reasonable wages.

That the season is rapidly approaching when it will be of the utmost importance that the lands along this portion of the river as far as Solihoy Mill should be relieved of superfluous water.

Memorialists therefore take the liberty of suggesting to the Drainage Board that on public grounds and owing to the delay in procuring a contractor and having the ~~and~~ having the Drainage works commenced some sections of the works might with advantage to the Board and also to the labouring classes be immediately commenced, and the superintended by Mr Synan C.E. in whose abilities memorialists have the greatest confidence.

35  
And memorialists will ever pray  
Signed on behalf of the Town Commissioners, in meeting assembled this 6<sup>th</sup> day of January 1880.

According to notice of Motion Mr Sharpe  
moved, That this Board do memorial  
the Local Government Board to transfer  
the sanitary authority from the Board  
of Guardians to the Town Commissioners;  
The motion was seconded by Mr Goode  
and having been put from the Chair  
was declared unanimously carried.

A Committee consisting of Messrs  
Sharpe, Ward and Carrall was  
appointed to draw up the memorial.

The following report from the Committee  
appointed to negotiate about the borrowing  
of money and purchasing a site for  
Orphan dwellings &c was read, and  
adopted

" At a meeting of your Committee held  
since last meeting of the Board it was  
Resolved first to publish in the usual  
manner the notice required by section  
5 of the Act.

It has been ascertained that the  
immediate Lessee of the larger portions  
of the premises known as the Gardens  
and a considerable portion of Sea Lane  
will accept a very small sum for  
his title. These premises afford ample  
space for a large number of suitable  
houses, but your Committee would  
for the present would recommend  
improving and restoring or rebuilding  
of 20 at a probable outlay of say  
£2800

Besides these premises above  
referred

referred to, there are several other close lying suburbs, some already in the possession under lease of the Town Commissioners. They however put these first because of the dilapidated state of the present dwellings there; the insanitary conditions of the locality and great danger to public health arising therefrom.

The intermediate tenant holding under Lord Clanricarde, has been written to on the subject but no reply has been received.

Upon Committee considers that the Town Commissioners, should enquire of the Local Government Board, the Law applicable in cases where owners, freehold or leasehold, refuse to negotiate for sale of such premises as those described.

In addition to the £2800, for building we consider a sum of about £100 to £200 will be required for purchasing purposes.

Office of Public Works  
24<sup>th</sup> Feb 19<sup>th</sup> 1880

Sir

With reference to your letter of the 14<sup>th</sup> Inst  
and directed by the Commissioners of  
Public Works, to inform you that the printed  
Accounts, for the year 1878 & 1879 of the  
Rates Expenditure, show no surplus arising  
on these years, as the 4<sup>th</sup> Rate appears  
to have been levied, there is no margin  
of security left to base the Application  
for a new loan. If it should be  
otherwise, the Board will be glad to  
receive any Application which will  
lead them to a different Conclusion.

The loan for Labourers' Dwellings in  
the absence of such explanation must  
stand in its own merits with the  
Rents that are to be received from the  
Tenants

James S Kempster Esq  
(Signed) Edward Stansby

The clerk was directed to write to the Board  
of Works and inform them that this  
Board had no other security to offer

43  
unless the houses when built, which  
would be ample security for the interest  
of the money asked, as houses in this  
town paid 6 percent on the cost of  
building, and this being an exceptional  
year to request the loan asked for.

Canal House  
Baltimore  
Sept 14<sup>th</sup> 1880

Dear Sir

I am in receipt of a letter from  
the Board of Directors of the Grand  
Canal to whom I am deputy in  
this town, conveying to me a charge  
made by your clerk of want of  
courtesy and incivility towards him  
The grounds upon which he makes this  
charge are that when enclosing him  
a Bill of freight of coal I addressed  
the envelope the Clerk to the Town  
Commissioners Baltimore, I did  
so intended no discourtesy, nor did  
my words mean it, for it is the usual  
manner of addressing a Public  
official, I myself have frequently  
received letters addressed to me in like  
manner and I often addressed

Mr Steacie in the same way,

If Mr Steacie had any grounds of complaint he should have made that Complaint to your Board, and be guided by your orders on the subject. In offending your Clerk I would offend yourself and it is strange that Mr Steacie takes upon himself to do the business of your Board in this matter and without consulting you who are most concerned in it, and makes use of his official position to injure me in my situation, It being more remote from my mind than to offer an insult either to your Board or your Clerk, and I trust your sense of Justice that you will prevent him from making use of the position he holds under you to interfere between me and my Employers

Yours Dear Sir  
Yours faithfully  
M Hammie

Moved by Mr Carrall  
Seconded by Dr Colahan  
Resolved That we consider Mr Steacies Conduct in this matter while acting in this matter as Clerk to this Board as reprehensible and we desire that he should admit so, and write to that effect to the Board of the Grand Canal.  
Further Resolved  
That a copy of the foregoing be forwarded to the Board

of Directors of the Grand Canal Co  
and another to their Agent Mr  
Michael Hammie

Proposed by Mr Ward and  
Resolved

With the view of renewed  
action to obtain a loan of £5000  
for water works and sewerage works  
at the one per cent rate of interest  
granted last year by the Board of  
Works, it is requested that Mayor  
John W.P. should ask the First Lord  
of the Treasury, or other official  
to which the question should properly  
belong, be addressed, a question to  
the following effect.

Whether it is true, that the Ballinashel  
Board of Guardians have applied to the  
Local Government Board, for an advance  
of £3000 under the Relief of Distress  
Act, for the purpose of giving outdoor  
Relief - Whether the Town Commissioners  
of Ballinashel, acting as the newly  
Constituted Sanitary Authority did  
not last year apply for a loan of £5000  
for the erection of water & sewerage works  
in the Township in order to afford useful  
and remunerative employment to the  
distressed: Whether the said application  
did not fall through owing to the Act  
constituting the Town Commissioners the  
Sanitary Authority being delayed by the  
Dissolution of Parliament, Whether  
the First Lord of the Treasury, did  
not admit at the close of last Session  
that the error of the Ballinashel Town  
Board in not receiving the loan was  
a hard one, and whether seeing the

continuance of destitution in that district  
the Government will reconsider their  
Decision regarding the said Grant with  
the view of advancing the money at the  
one per cent. and thereby saving a  
great number of able bodied persons  
and their families, who are willing  
to work, from becoming paupers on the  
Rates.

It was unanimously agreed to  
wait on the Board of Guardians on  
tomorrow with the view of having  
some of the men employed breaking  
stones on the Moor shore, transferred  
to the Town for the purpose of filling up  
and levelling the ground at the  
Prier near the St. C. Church.
