That this being the first meeting of our Board, since the death of the Illustrious Prelate of the West, John Archbishop of Tuam we desire to record our feelings of profound grief and sorrow, at the great loss sustained by the Catholic Church, and National Cause in Ireland in the death of this Chief of Patriot Prelate. Mr Ward withdrew the notice of motion standing in his name in consequence of a letter from the Local Government Board stating that the Law was against the purport of it: and handed in the following

To be read that I will on this day week move the following motion

That this Board viewing with dissatisfaction the present anomalous state of the Law as explained to us by the letter of the Local Government Board which while it gives power to all Rural Sanitary Authorities even when administering the Law in Urban Districts to apportion the Rate equally between Landlord and Tenant withholds such power from all Urban Sanitary Authorities

The Board would therefore earnestly and respectfully request the Local Government Board to cause the Public Health Act 1878 to be so amended as would give Urban Sanitary Authorities the power regarding the Equalization of the Rates as the Rural Sanitary Authorities now enjoy - And that a copy of the foregoing be sent to the different Urban Sanitary Authorities in Ireland with a view to their Cooperation in the matter

Gentlemen

I have to acknowledge with many thanks the kind and complimentary resolutions asking me to retain my seat at the Town Board, In writing to Mr Fowler to request him to say when (by act of Parliament) your clerk must report my seat as vacated through non-attendance I did so from a feeling of duty There are only fifteen commissioners all of whom are elected none ex-officio I felt I was only keeping the place of some one who both could and would attend the business of the Board more regularly than it would be possible for me to do so. But as you do me the honour to differ with me in this opinion I can only say that if you reelect me I shall endeavour to attend when I can but whether on or off the Board I shall always entertain the same anxious desire for the welfare of Ballinasloe

I am gentlemen
yours very faithfully
