I am in receipt of your letter of 13<sup>th</sup> inst and in reply have to inform you that should the Dispensary House be ready for the Doctor. I am preparing all the requisite furniture which will be complete in the course of the week but in the meantime if required the Doctor can have the use of the House. with regard to attendance and fuel required by the Guardians, the distance from the Workhouse prevents the possibility of supplying either nor can I see what attendance the Doctor can require as I will give him the key of the House and I don't think there can even be any difficulty

difficulty in getting a good fire at night with supplies furniture and every other requisite -

I am Sir

Your obt servant

Requesting to be informed whether the Dispensary at Carna has yet been opened for the attendance of sick poor —

Read letter from Thomas Mayall Esq forwarding letter from Mr Leonard relative to Dispensary at Carna stating there is a house at Cullen about a mile & a half from Carna on the road to Maynooth which would ~~be a good site~~ which would answer for a Dispensary —

Birmingham  
Mon 15 Feb 1860

Dear Sir

I am in receipt of your letter of 11<sup>th</sup> inst advising that the Board of Guardians of the Upper Union are not disposed to pay £7- per annum for the dispensary house at Carna unless fuel and attendance be supplied.

In reply they to say that I quite approve of the economy observed by the Dispensary Committee of the Roundstone District and I would be glad to assist them by every means in my power to reduce the rates that are so exceedingly high in the Upper Union —

What do you think of Kiltener? would it not be more central than Carna?

When I see you I don't by any means wish to afford dispensary accommodation nor would I ever have consented to build a Dispensary, or to allow any of my tenants to supply a house for that purpose, but not wishing to appear disagreeable to a Board of Guardians for whom I entertain the greatest respect —

I now beg to inform the Board through you that I will not supply the Board with either of the required articles nor allow a dispensary Depot at Carna where I have to be so often myself and I see no advantage or profit which too often follows such a course —

I regret the Board of Guardians did not sooner reply to my last letter refusing to supply either a house or turf. Had they done so it would have saved me a good deal of trouble and expense. The usual rent allowed in this Union is £10-0-0 for the house and £5 for fuel and attendance and the rates here seldom exceed 4<sup>th</sup> per cent.

I remain Sir  
your  
Obedient Servant  
Dominick Leonard

Ordered that the Clerk be directed to forward those letters to the Commissioners and request of them to allow the dispensary to be taken in some of the adjacent townlands

Ordered that the decree obtained against John O'Brien at the late Circuit Sessions be handed to Mr Rocheport for recovery.

Ordered that the Clerk furnish us on next Monday with any order or minute made by this Board relative to the exclusion of parties accompanying Clergymen on their visit to the Workhouse
