Read letter from Superintendent of valuation acknowledging receipt of Clerk's letter and stating that the Revision of the valuation of this union had been completed for this year &

Resolved that in reply to the Commissioner of valuation's letter we have to inform him that when he sent his valuator to this District - the Clerk of the union was unavoidably absent in Dublin and that no notices were posted whereby any person suffering from change in the holdings in this

this district were not aware of his presence and therefore could not apply to him for the Relief then required. further that many of the Proprietors and agents of Properties were not advised by notice or otherwise as usual of his coming. whereby the relief required has not been obtained We therefore have to request that the Commissioners will kindly send a valuator to this district immediately, otherwise the evil will still exist and most materially interfere with and frustrate both the Collection of the Poor Rate and County Cess - and the striking up of a new Rate particularly as the great majority of the changes in this District occur in the Spring of the year

Resolves letter No 10881 Dated 22 May 1860

Relative to the management of the Hospital of the Union

Resolved that in reply to Commissioners letter relative to the recent investigation held by Doctor Modie as to the medical officers attendance on the Workhouse Patients the Board of Guardians having taken the matter into consideration while they fully concur with the Commissioners in securing to the Patients all necessary attendance they feel that occasions will now and then arise when their Workhouse officers are obliged to absent themselves suddenly for a few days such was the case in October last when the medical officer was called to leave home on a few hours notice to attend the dying bed of his mother again in February when he was subpoenaed as a witness to the Courts in Dublin under a penalty of one hundred pounds on both these occasions the Board were aware of the Medical officers absence and were satisfied as to the arrangements made for the due discharge of his duties by Doctor Hyer - In April the Board did give the Medical officer leave for a few days on urgent business and were satisfied with the arrangements made for the due performance of his duties but circumstances over which the medical officer had no control presented his return as soon as he expected altho some did not exceed our leave the Board

Board must state that their experience and confidence in Medical officer and Clerk lead them to acquit both from anything intentional or premeditated in omitting the name from the minutes. The Board at the same time desire to bear testimony to the capabilities and efficiency of both Medical officer and Clerk and feel that the present case will act as a sufficient warning and no cause of complaint will occur in future and the Board hope the Commissioners will coincide with them and deem this sufficient

Ordered that the women who were lately Hospital workmaids be discharged from the House — they being able bodied and that their names be kept on record so as not to have them again taken back — Mary Mullen to be discharged with her mother Betty King — Middy Joyce —

Notice of Motion

Take notice that in consequence of my having visited the workhouse on the 15th May — in company with Mr Mark Carr and finding it with the exception of the Hospital in a very filthy state the inmates both male and female very dirty, the bedding and clothes in a state of rags and dirt, which could hardly be exceeded in any cabin in the country, the bedding so filthy that Mr Carr observed vermin on some of it, and in consequence of our finding that seven boys were allowed to sleep in two dirty beds in the Schoolmaster's room the smell of which was almost suffocating and that the boys had eased themselves on the floor and that the filth had been allowed to remain until we visited the House at 1/4 to one of and our finding 2 buckets of ashes in the turf hole and a collection of bones in the Kitchen which the Master said the parsons kept to give away —

I will on Wednesday the 20th June 1860
move a Resolution that the Master and Matron
be called upon to resign
