Notice of motion.

I give notice that I shall on this day  
fortnight bring forward a Resolution to  
rescind the minute of the Board — debarring  
parties from obtaining contracts for supplies  
for this union, thinking such minute detri-  
mental to the interests of the Union as it has  
proved to be on former occasions, tenders  
not being considered though lower in price  
than those accepted although the most unques-  
tionable securities for the due performance of the  
contracts were offered. I submit the consideration  
of it to the Board with a view to having the  
competition open to all and thereby save  
the union unnecessary taxation —
