The Report of the Visiting Committee was read, and Orders were made thereon as follows:

The Reports of the Master and other Officers were read and Orders made thereon as follows:

Master reports there was a woman named Mary Williams admitted to the Workhouse on Saturday night last who was completely out of her mind—from her violence. She had to be tied up into the probationary ward—and two able-bodied women kept night and day, in close attendance on her. He also begs leave to state he went to the Court House on yesterday, in order to have her committed to jail but there being but one Magistrate present no committal could be got—
Keep Ward; directions in the matter—

Ordered that the Master hold over this woman until a warrant can be obtained the best way he can—

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon, as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk and directions given to answer them respectively to the following effect, for Orders made on them respectively as follows:

Letter from James Martin Esq stating that he would audit union rates on 9th inst —

Proposed by Tho. Young Prior Esq & P & seconded by Alun C Jones Esq & P & unanimously agreed to — That Mr. Moke's pay be raised £20 per year — for the future —

Resolved That having looked into Mr. Cardwell's Bill for the Registration of Births, Deaths and Marriages. We find it is proposed to pay the expenses of the "Superintendent Registrar" and the "Registrar" out of the Union Rates, viz 1/0 each Registrar in the one case - 2nd in another and 6^d in the third - This Board is of opinion the Union Rates should not be saddled with these charges for many reasons, first the registration is not for the use or benefit of the Ratepayers but for the sole information of Government Statistics - Secondly, it would be a fearful tax upon cities and towns - more particularly, distressed suburbs and small towns where poor people congregate in large numbers - and where births as well as mortality are always great, and thirdly - the mode of payment proposed would be as un satisfactory and repulsive to their officers, as it would be unfair and oppressive on the Ratepayers - That the Union throughout Ireland be requested to protest against it and the attention of our County Members be called to it - in order to oppose this unjust tax —
