Gentlemen

With reference to the Poor Law Commissioners letter on the matter of administering outdoor Relief to parties in the Island of Woffin. I regret that any answer I might have given to Dr. Modie on this subject should have led the Commissioners to consider that I was not cognizant of the powers possessed as Relieving officer - I was aware of the extent to which I might go, but it is so long since outdoor Relief has been administered in this union and there being plenty of room in the Workhouse. I applied it in the first instance, but would by no means take a person to the Workhouse that I considered

would be injured by the removal or required immediate assistance and will take care in future to attend to this matter strictly -

Resolved that our Relieving officer be most severely cautioned not to let it occur again that he gives outdoor Relief for more than 24 hours and leaves the parties he states to be dangerously ill without giving any visiting ticket for a doctor to attend them -
