Clifden
12th November 1862

Gentlemen

I consider it my duty to inform you
that I was summoned to attend the Petty Court
at Oughterard on the 6th Inst by Mr James
Martin P.S. auditor to recover from me
the sum of £5 which he alleged was
improperly paid me as Treasurer
for the quarter ending 25th December

I accordingly attended, the case was urged in
every way by Mr Connon acting as solicitor
for Mr Martin. But a very large Bench of
Magistrates (5 in number) were unanimous in
dismissing the case, and they were further
pleased to express a very decided and
favorable opinion as to the validity and
fairness of my claim. However having
previously (acting under advice) lodged the
£5 to credit of the Union under protest
as I feel that more than the money is in
question in this case, in justice to myself
I feel constrained to take proceedings
against the Board of Guardians at the
next quarter sessions of Clifden to
recover this £5. The facts and merit
will then come fully before the Chairman
of Quarter Sessions, and a fair opportu-
nity will be afforded to all to maintain
their views and assertions. Thanking
the Board for the support they have
all through afforded me in this affair

I remain Gentlemen
your most obedient servant
William A Saffield
W.A.

The Board of Guardians
