The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively to the following effect for Orders made on them respectively as follows:/

P L Comms letter N^o 26 687 Dated 30 Decth/62
Requiring Return of insane persons &c

Read letter from Dr. Supfield stating that he was summoned as Crown witness to galway sessions, requesting leave of absence for a few days and that Dr. Payne would attend to his duty while absent

allowed.

The Clerk submitted Commissioners Sealed order of 10th December 1862 with Comms letter N^o 25544 dated 9th December 1862 - Relative to appointment of medical officer for Islands of Inishboffin and Skerries

Resolved in reply to commissioners letter. We consider no properly qualified medical officer could be obtained to reside in the Island of Inishboffin for a less salary than £70 a year, there will be no emolument public or private beyond the mere salary. We propose to fix the salary at £70 and trust this arrangement will meet with the Commissioners sanction, with regard to the reduction of £20 a year on the salary of the present medical officer at the clifden dispensary District. we are of opinion it would not be a judicious step and that the present salary of £100 per an is only reasonable remuneration for the arduous duties he has to perform even relieved up the attendance on the Island of Roppin, he still has a most extensive District and the largest population of the three Dispensary Districts in this union which we look on as a sure test of the work to be performed. we therefore could not consistently reduce his salary below that of the other districts. On reference to the Clifden Dispensary Medical Register, we find the duties have much increased compared with former years. The Register for 1862 shows an increase of 8354 cases over the year 1861 even though not having the attendance of Roppin for the last six months, we also find that visiting

tickets for this year (1862) exceed by 144 cases those of the year 1861. we fear from the prospects before us that matters are not likely to improve therefore consider it would be unwise to reduce the dipden medical officers salary within the sum he now receives, we feel it is barely sufficient for the onerous duties he has to perform and can admit of no reduction. we find that even with the foregoing salaries the poundage for support of medical charities in the dipden dispensary district will be under that required for either the Remond or Roundstone districts we trust the commissioners will agree in the decision we have

The cases of provisional relief, and applications for relief were considered and decided on, as set forth in the Application and Report Books.

Notice of motion

In full on this day fortnight move that a Supervisor or Resident Guardian be appointed for one year at a salary not exceeding £200 per annum Considering that such superintendent is absolutely necessary as from the remoteness of Residence of the majority of our Guardians (both elected & ex officio) we have no visiting committee to look after the detail or economy which is so essential to such an establishment as it would be unreasonable to expect from the Master of any workhouse (no matter how trustworthy he may be) to bear such a serious

responsibility, imposed on him the law I presume never contemplated placing him in such a trying position
