Read letter from clerk of Waterford Union
forwarding copy of Resolution
adopted by that Board relative
to superannuation of Poor Law officers

Proposed by Tho^s Prior Esq J.P. Seconded
by P. Macaulay Esq J.P. and unanimously
Resolved that it is felt inequitable there
is no legal provision to grant warrant
the grant of superannuation or in any
way to recompense Poor Law officers
incapacitated by reason of advanced
age or other causes from the further
discharge of their duties after years
of efficient and faithful service wherefore

in some instances Boards of Guardians and Committees, continue the services of such officers rather than dismiss and subject to pecuniary, old and fruitful officials. —

That the Poor Law Service is the only exception to the just & humane consideration which secures retiring allowance to those who have expended the prime of life and of health in the Public Service and the exception in the case of Poor Law officials is the more unjust, as their salaries are too small to admit of their making provision for declining health, old age and under such circumstances, the Workhouse and Dispensary Medical officers may claim peculiar consideration being much exposed.

The cases of provisional relief, and applications for relief were considered and decided on, as set forth in the Application and Report Books.

The number of Provisional Admissions to the Workhouse confirmed was

Ditto disallowed

The number of applicants admitted to the Workhouse was

The number of cases of provisional Out-door relief was

Do. do. in which relief was continued by the Guardians

The number of other applicants in the Relieving Officers's Books relieved by order of the Guardians was

The number of applicants for whom relief was not ordered

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

in the Discharge of their duties to the influence of those causes likely to produce bodily infirmity. —

That we are of opinion that a System of Superannuation would tend greatly to the advantage of Poor Law Unions as it would encourage the various officers to discharge their duties with zeal and more efficiency, and it would in many cases induce a better class of officials to join the Service. —

That we are of opinion the ultimate claims on a Superannuation Fund would be very moderate as no officer under 60 years of age could receive an allowance except in case of permanent disability, and ~~no~~ officers over 60 years of age ~~could receive~~ in good health will not retire from the Service because the Superannuation allowance in either case cannot exceed 1.60th of the Salary for each year of service and cannot amount in any case to more than 2-3rds of the officers Salary for each year of service and no officer will give up his whole Salary in order to obtain a much smaller income so long as he can efficiently perform his duties.

That application be forthwith made to His Excellency the Lord Lieutenant and to the Chief Secretary for Ireland soliciting them to bring the subject under the consideration of Her Majesty's Government in order to procure an

enactment authorising the R.L. Commrs, on the recommendation of the guardians, to pay a reasonable amount of Superannuation or of Compensation to Poor Law officers when from ill-health or advanced age they are obliged to retire from service.

To attending the Renvyle Dispensary District for 3 weeks at £3 per week during the illness of Dr Kerr

Resolved that Dr Suffed's application for payment while attending Letterfrack Dispensary during the sickness of Dr Kerr be paid and that the Commissioners be requested to sanction same this to be considered an exceptional case

Signed J. Sheen
J. Macaulay

Amendment that we cannot agree to pay Dr Suffed for doing Dr Kerr's duty as we consider that the Ratepayers are not able to bear the heavy Rates thus inflicted on them by giving double pay to Dispensary Doctors in paying substitutes as proposed in this case also we consider that Dr Kerr having been holden the District for so very short a time it is a most monstrous thing - thus to tax the Ratepayers as proposed by the Renvyle Dispensary Committee

be amalgamated with the Kenoyle Dispensary, District from next quarter day and that the duties of same should be done by one medical officer from that date, at a salary of £100 per annum to cover all expenses of Roffin & with other various duties of the amalgamated District as proposed - which salary we consider most abundant, together with what will be obtained by the vaccination fees and the fees arising from the Births, Deaths and Marriages. Bill and that we consider this change absolutely called for, in consequence of the vast taxation in this union, as it will effect a saving of at least £60 a year to this union, and all the District being in a most healthy condition one medical officer will be amply sufficient to do all the duties required in said amalgamated District, which District will not require near as much labour as either the Clifden or Roundstone Dispensary, Districts, being very much smaller in extent and not having more than one half the inhabitants of either of said Districts we most earnestly call on the Commissioners and beg of them most respectfully to reconsider this matter and give their assent to its being carried out -
