Doffin Island
17th May 1864

Sir

I beg to call your attention to the fact that there are at present some persons in this Island suffering from divers complaints, and very much in need of the attendance of a medical officer. I am also justified in stating that nothing less than a resident medical officer can discharge his duty in this isolated Island hoping then to see some medical officer soon appointed to look after the Islanders

I am Sir

Yours &c &c
