to provide substitutes I fear much that
the change may cause much inconvenience

and injury to the Sick. I have gone through the
minutes of the House and find none
fit or competent to take the place of those
discharged. There are four wards open
two for contagious and two for non-
contagious diseases. It is quite clear
that those attending the contagious disorders
cannot be permitted to wait on and
nurse those suffering from non contagious
diseases. Such a course would be attended
with serious risk. The wards maids dis-
charged have had considerable experience
in the nursing of the sick and their dis-
charge without adequate substitutes, will
be seriously felt by the sick. I have
thought it my duty to bring this matter
under your notice for consideration

from parties referred to —

Gentlemen

In compliance with your
instructions. I have the honor to inform
you that so far as the allegations of
Eliza Duane & Mary Carroll relate to
me they are totally unfounded —
I feel it hard after years of long
and faithful service to be thus subjected
to the malicious fabrications of discharged
paupers one of whom I am informed
by the Relieving Officer having ever been
a party directly or indirectly to the writing
of any such letter —

I have the honor to be
Dear Sir,
Wm. Miller
Clerk of the Board

Gentlemen

In obedience to your orders
accordance with your directions. I beg to
answer the several charges preferred
against me by Eliza Duane & Mary
Carroll late paupers in mate. It is
untrue that Eliza Duane was dressed
in "old rag" her clothes were better
than many of the inmates. I deny having
ever sold the property of the Board of
Guardians either in meat flour, or
Candles, Soap, Brushes, or that I ever
gave to mortal anything whatsoever, never
gave a blanket for whisky, did not
tell Mr. Galvin I had sent clothes to Hos-
pital, always gave up the clothes to the

Master together with a Return -
 I remember Dr Brodie spoke to me relative to a woman in Hospital who wore her own Petticoat - I had not one to give her owing to the increase of inmates, and not having material in store to make into garments, but when it was opportune with me I had her dressed. I distinctly deny being in Mr Surber's Clerk's room having the door closed, never received a bottle of Brandy from the Clerk, neither was he ever in my room to an unreasonable hour. I feel that I have given sufficient explanation to each charge and if the Board doubt believe me truthful they can investigate my son, as since took charge in their Workhouse

I am gentlemen &c

The cases of provisional relief, and applications for relief were considered and decided on, as set forth in the Application and Report Books.

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

Gentlemen

In obedience to your order I now offer my explanations relative to charges of drunkenness & brought against me in a letter addressed to the Rd Commrs & purporting to be signed written on the authority of Eliza Duane a pauper discharged by your Board from the House a few weeks ago for scaling the Hospital walls & absenting herself from the House for some hours, as on a former occasion. I have to deny in the most emphatic manner that I ever was drunk and to state that the whole story is a malicious and wicked fabrication got up to impure my character & when you find that Eliza Duane denies having ever authorized the letter to be written or ever sanctioned her name being affixed and that one half of the letter is in the handwriting of Mrs Hickey your late Hospital nurse dismissed by your Board, this I think will stamp the whole matter in its true light & I court the fullest inquiry into my conduct since I entered on the duties as Master. It is quite true that in the discharge of my duties I did visit the Hospital, but I deny that I ever did so to the annoyance or disturbance of the patients -

I have the honor to be
 your obt Servant
 John McNamee
 Master

Mr Con King believing officer was called before the Board and stated that he had been sent by an individual to enquire from Eliza Duane who resides near him, as to

the statements made in her letter and that she had denied having ever been a party to the writing of any letter such as he mentioned—

Resolved that having read Comms letter N^o 13728 enclosing two letters from Mary Carroll & Eliza Duane making most serious & grave charges against the Clerk, Master & Matron of this union which on inquiry we have no hesitation in expressing our opinion have been maliciously instigated by the late Hospital Nurse as we are creditably informed by our Relieving officer one of the parties Eliza Duane denies having any knowledge of the letter written under her name addressed to ~~you~~ the Comms & the undoubted fact of part of Eliza Duane's letter being in the handwriting of the late Nurse we cannot but feel the whole has been got from vindictive motives on her part against two of the officers the Clerk & Matron which should be treated with the most Sovereign Contempt as we have much satisfaction in offering our opinion after years of experience more trustworthy officers cannot be found in any union in Ireland— with

With reference to the Master we have only to add for the short time he has held the office of Master he has displayed much ability & rendered every assistance & satisfaction to the Board it could possibly be expected from so young a Master & that several of the Guardians, who have known him for years speak in the highest terms of his integrity & strict sobriety— with these opinions we have no hesitation in forwarding the answers of the officers referred to—

Amendment That the statements made in the letters of Eliza Duane & Mary Carroll dated 19th & 26th Sept & forwarded by the R. Comms for the information & observations of the Galway Board of Guardians on the 24th Inst. have been fully & patiently considered by the Board as also the reports of the officers of the Workhouse in answer to them— and the Board are clearly of opinion that the charges in said letters are too scandalous to be overlooked or treated lightly and therefore for the credit of the officers of this union involved in these charges for the credit of the Guardians of the Union and for the satisfaction of the Ratepayers we call for a sworn inquiry into these charges & statements. we do so the more particularly as the reports outside the House are fully equal to the contents of said letters & also a member of the Board has stated that one of these women above mentioned made a strong report to him long since

on the plunder being carried on in this union as well as other matters under all these circumstances we call on the Poor Law Commissioners to institute without delay a full & searching & sworn inquiry into each & all of those charges and statements
