January 9<sup>th</sup> 1867

Gentlemen

By your order, I have received a copy of the Commis letter having reference to a letter of mine from the Board on the 19<sup>th</sup> December 66. That letter was written by me in utter ignorance that it would give offence. I never intended offence by it, and I repeat I wrote it - I got my book on Tuesday, commenced to collect on Wednesday and by the greatest exertion in the 8 days allowed to collect £300 had only £88 collected & lodged. So that the letter was written wholly with a view to remedy my inability to set up to the order of the Board & therefore hope the Board will consider the circumstances, and admit of my explanation  
Gentlemen. your Obedt Servant

To the Chairman and  
Board of Guardians  
of Newry Union

Gentlemen

I am happy to inform  
you that my health is thank God much  
improved. However my medical advisers  
consider that I am not as yet fit for active  
service and advise me to obtain a further  
extension of my leave for one month  
from the expiration of my present sick  
leave. I therefore respectfully ask the Board  
to grant me another month's leave, and  
enclose for your inspection and satisfaction  
the certificates of my medical advisers  
Dr Hudson, Surgeon Wm Lally, and Surgeon  
Wilmot. with grateful feelings to the  
Poor Law Commrs and Board of

exhibited towards me under very trying  
- circumstances

I remain Gentlemen  
your obedient servant  
William H Saffell Esq  
M. Officer Clifton Workhouse

(Signed)

John Burke

Clerk of the Union.

April 3. 1867

Having been in attendance upon Dr. Saffield for the last six weeks I have to state that while his health is very much improved it is by no means so far reestablished as to enable him to resume his professional duties, for which indeed he is still quite unfit.

I therefore consider it necessary he should obtain an extension of leave of absence for a period of at least a month from the termination of his present leave by which time there is a fair prospect of his being able to return to his usual avocations.

Signed

A. Hudson

In reply to Dr. Saffield's application for another month's leave of absence, it is ordered that we hear with much pleasure & satisfaction of the improved state of our medical officer's health from the accompanying certificate by Drs. Callan, Wilmut and Hudson and in consideration of the long & arduous and faithful services of Dr. Saffield as medical officer of this union and the hope of his soon being able to resume his duties, that we unanimously allow him another month's leave of absence from the expiration of his present leave

and that Dr. Forham be continued in charge for the time -

ordered that the consideration of contracts for workhouse supplies be adjourned to this day - week

ordered that the finance business of the union be adjourned to this day - week

Resolved that a question having arisen this day as to the chargeability of a pauper named Peter Kee who with his wife and family all under 14 years of age applied for admittance to the workhouse, under the following circumstances his wife and family have resided at Streamstown in the Clifden Electoral Division where he held a house for some six years he has himself been in Scotland for the last eleven months. Has been in Streamstown six months previously and for the three years previously to that time he has been in Scotland. The guardians request the commissioners will inform them whether he and his family are now legally chargeable to the said Electoral Division or to the union at large - or does the fact of his holding the house above referred to where his wife and family resided and himself occasionally when coming to the County constitute his residence under the Act -
