The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (This on the second Meeting after the Annual Election in every year.)

Some of the Dispensary Medical Officers of your Union receive - They respectfully to ask that my Salary may be included in your deliberations. I have the most populous District in the Union and as I can prove to you second to none in laborious professional duty while I have one of the lowest Salaries of any Dispensary Medical Officer in the Union deducting £30 a year at least for car hire it leaves me about £50 a year for my car hire at least professional services should you so desire I shall be happy to furnish you with a return from the Dispensary records which will exhibit the work performed for the year 1867 and which will enable you to judge how far a salary of £80 a year which I deem is fair remuneration for the very onerous and laborious duties I have to perform -

Your most Obedient
W H Saffield
M D

Gentlemen

I understand you are about to take the Salaries of the Medical Officers into your consideration with the view of raising them -

I trust you will consider me entitled to an increase in the same proportion with others for though my present salary is more than that of any other medical officer of your Union, yet I feel it is not in any way sufficient for the very

arduous duties I perform -
 I have two Dispensaries to attend one
 sixteen miles distant from my residence
 therefore I have to travel 32 miles when
 I attend it.

I am often obliged to drive 30 Irish
 Miles and then walk a long distance
 to see a dispensary patient. So by the
 time I get home I put in a pretty good
 days work. having driven sixty
 two Irish Miles and in many cases
 walked ten through bog and mountain
 all consequent upon one visiting ticket
 horses, cars and boats. cost me at
 least sixty pounds a year. I have
 then fifty to pay for everything else
 I feel it unnecessary for me to go into
 further detail as my very onerous
 duties and laborious life are well
 known to most of you -

With only add I have been
 Medical officer of the Roundstone
 Dispensary District for nineteen
 years and I believe I have given
 general satisfaction in the discharge
 of my duties.

I have the honor to be
 gentlemen -
 your obedient
 servant
 J. Payne M.D

16 April 1868

Gentlemen

I have been informed that the subject of the salaries of the Medical Officers of the Clifden Union will come under your notice, on Wednesday next and I beg to submit to you that as my salary is the smallest of any Medical Officers of the Union, with no chance whatever of adding to my income by private practice, that you will be pleased to take my case into your favorable consideration and grant me a proportionate increase - I have an additional reason for asking this at your hands in the fact that I am called on to pay a considerable higher rent for the premises I occupy on this Island and which unless my salary be increased would leave me with such a reduced pittance as I really am almost ashamed to mention -

I have the honor to be

The Reports of the Master and other Officers were read, and Orders made thereon as follows:—

The following Orders of the Poor Law Commissioners were laid before the Board, and directions given thereon as follows:

The following Letters from the Poor Law Commissioners and others were read by the Clerk, and directions given to answer them respectively to the following effect for Orders made on them respectively as follows:

Mr Comyns letter N^o 10966. Dated 4th May 1868
Relative to proposed increase of Salaries to Medical Officers of Dispensaries &c

In reply to Mr Comyns letter the Board much regret that the proposed increase in the several Dispensary Medical Officers Salaries has not met the sanction of the Comrs. The increase was fully considered and approved in a very large meeting of the Board, with but one dissentient voice, except the Roffin increase which was carried by a large majority of the Board. The Board have long felt the very inadequate Salaries of the Medical Officers for the very arduous and important duties they

perform, and which few but those who reside on the spot can form an estimate - They refrained from increasing the rates, while the entire burthen lay on a highly rated district. But the treasury grant having come into operation they conceive it to be only just to make reasonable provision for the Medical Officers - After allowing the reasonable allowance the rate will not be much or at all above half of the former rate -

As to the proposal to divide the Dispensary District of Roundstone - the Board beg to state that the present Medical Officer has discharged the duties of said district for over 19 years in a most efficient and satisfactory manner, besides discharging Lettermore Dispensary duties for 5 years with perfect satisfaction to all parties -

The Board respectfully urge on the again matured consideration of the proposed increase in the Dispensary Medical Officers Salaries. That the Comrs will be pleased to sanction the course the Board have so long decided on - The Board would further remark that the emolument derived by the Roundstone Medical Officer in respect of vaccination and Registration fees set down by Mr Kelly, at £80 a year do not on an average amount to one half that sum yearly.

Signed
J. Shea
Thos. Hazell

Amendment The cost of medical charities in the Clifton Dispensary District is 9/6 in the £ we are of opinion that any further increase in this department would be oppressive also the district is the highest rated in the Union and we say that the less payers are not satisfied with any further increase in the Doctors Salaries and are against any increase

27th April 1868

Gentlemen
In reply to the letter of the Poor Law Commissioners of the 21st Inst N^o 10245 - ~~set~~ in reference to Dr Ronghan's report of his inspection of this Dispensary we beg to say in the first place with respect to my visiting persons without demanding tickets that in no instance

whatever has a ticket been refused to any applicant although there are a number of persons residing on these Islands well able to pay for medical attendance - The issuing of tickets under these circumstances where no distinction is made as to the means of the applicants has always appeared to me to be a matter of little or no import, and I have consequently long ceased to ask for them, but give attendance to all applicants alike - The cancelling of tickets to my mind is little better for the Law requires that the Medical Officer shall do the work first and get the ticket cancelled afterwards a very different state of things to this prevails in the English Poor Law where the Medical Officer has a right to refuse his attendance in the case where the ticket or order has been illegally issued i.e. where the applicant is not a pauper nor entitled to be pauperized -

I quite agree in opinion with Dr. Rouphan that a Relieving Officer who would make himself thoroughly acquainted with the circumstances of each individual and act accordingly would be a great improvement on the system hitherto prevailing -

Next Meeting of the Guardians to be held on

Tuesday the

13th day of May 1868

(Signed)

John Burke

Clerk of the Union.

There are seasons of scarcity and cases of utter destitution wherein the Relieving Officer's intervention is urgently called for -

With respect to the state of the Dispensary and the medicines find no damp &c I can only say that the climate is a very moist one and that a fire should be lighted in the apartment much oftener than has been done - but of late I have experienced the greatest difficulty in obtaining even sufficient fuel for cooking purposes and I think the Board ought to supply the Dispensary with fuel and also with a Dispensary attendant -

Finally with respect to vaccination I beg to say that out of the number mentioned by Dr. Rouphan a great many were vaccinated but proved unsuccessful. I am still going on and repeating the operation and hope before long that the whole of the children will have been successfully vaccinated -

May 26th 1868

Gentlemen
Acting under the opinion and strong advice of my medical advisers, and feeling that my health requires rest and cessation from laborious duties, with great regret I have to resign the office of Medical Officer to your Workhouse. I merely hold office till the termination of the present quarter which will afford you time to appoint my successor. I retire after 28 years

active service in your Union I can say in truth disabled in your service by unremitting and arduous duties, constant exposure to wet and cold without the satisfaction, as I feel confident it would prove equally so to you that you had it in your power to bestow on me even a limited Superannuation for my long and trust faithful services. I am not insensible to my own shortcomings, but still ever endeavoured to perform my arduous duties with faithfulness and integrity, often during very trying and eventful times. To your Board I tender my deep gratitude and thanks for the unvarying kindness and generous support extended to me at all times for so many years —

I remain Gentlemen

adjourned to this day week and that a committee of the present Board be formed to take such steps as may be deemed desirable in order to mark our regret of the cause that compelled the Dr to resign - as well as to consider how the Board may best assist him on this trying occasion and that the Clerk shall advertise for a medical officer in the usual form for the Workhouse Hospital.
