Board Room
10 November 1864

Gentlemen

In accordance with your instructions. I have taken you that the Stock of Provisions, Clothing, Bedding &c have been ~~sent~~ handed over to Mr Devern and you have the result of an accurate Stock taking duly authenticated on the several books by Mr Devern and myself -

In the articles on the Clothing Receipt Book there is a slight deficiency in some and an increase in others. But taking one article with another the result is satisfactory.

The Materials on the Clothing Material Book are strictly accurate -

The Provisions as shown an excess of a few lbs of meat which has arisen by an increase in the baking of those articles - in future I should recommend that the Master deduct a sixth of an lb bread baked in the Workhouse and it will keep his Stock correct -

The several classes of workhouse inmates are all fully clothed and there is a fair supply of suitable materials to keep them well & comfortably dressed for some time to come.

The workhouse buildings, yards, walls, floors &c are in good repair. with the exception of an cave, shoot on the south wing of the building which was "bagg" and consequently blown off the kitchen roof in the late storm. these matters will be made right as soon as a competent tradesman can be procured.

The provisions and necessaries supplied to the workhouse are of the best quality.

The order and regularity at meal times is excellent and an air of comfort cleanliness and contentment exists throughout the entire establishment.

During the period of my acting as Master I found the each and every one of the officers careful and attentive

 with his Report thereon, as follows: (this on the second Meeting after the Annual Election in

Mr Jeffrey Esq. for this County, having kindly
 submitted a letter for the consideration
 of this Board wherein he suggests that
 an appropriation be made to parliament to
 have the County divided into two separate
 Petty Jury districts, the Jurors of each
 district to be summoned once a year
 only - alternately - thereby relieving them from
 the heavy expense, annoyance and inconvenience
 of attending twice a year and sometimes
 aptener abfolway assizes - as is the case at
 present.

Resolved that on full consideration of these
 valuable suggestions, we entirely concur with
 Mr Jeffrey in his views, and we consider it
 would be most satisfactory to the Jurors
 of the County if an Act were passed
 carrying out this principle. That Mr Jeffrey
 will be entitled to our best thanks - if he
 will use his best efforts to have such
 a Bill passed -

He may be permitted to have such
 a Bill to call Mr Jeffrey attention to
 another hardship to which the people
 of this Union are also subjected viz
 that no jail delivery takes place
 nor Criminal Cases are tried at Clifden
 Quarter Sessions - That all prisoners
 from Clifden and surrounding
 Petty Sessions districts are sent to
 Galway at the public expense
 which is very heavy as well as being
 a grievous injury to many poor
 persons, who may be found innocent
 and yet have to make their way home
 penniless a distance of 50 Miles, as best they can.

be paid enough to give his best
attention to both these matters
for which the Board will feel obliged

Inward in letter from Mr Joyce
Relative to (or King) relieving
officer &c

9
Glasgow 5th January 1870

Gentlemen

Agreeable to your instructions requiring me to furnish an explanation relative to the charges preferred against me by Mr Baker in refusing him a ticket for his wife, and Mr John Joyce for alleged neglect of duty &c as you have my explanation already before you in the communication addressed to the Honours. Will merely add that I assure you most earnestly that I had no motive in refusing Baker a visiting ticket save a conscientious and independent discharge of my duty as a Public Officer.

With reference to the complaint of Mr John Joyce — I beg to state that they have been made solely for the purpose of carrying out an ill feeling, he entertained against me in consequence of my summarily dismissing him some time ago for an assault and abusive language on which occasion he was fined by the Magistrate at Petty Sessions, and not for any public good.

You are aware that I am concerned in the business of virtually in the Town of Glasgow the working part of which is altogether done by a partner and my time is almost exclusively given to the discharge of my duties as relieving officer and sanitary officer.

Having been lately married I had private business to Dublin and purchased

Some sheep to take with me for sale then
 I applied for and you were good
 enough to grant me four days leave
 of absence - owing to my inexperience
 I missed the train and consequently
 was one day behind my leave.

Mr. Mr. Lydon & the guardian for
 Clifton kindly attended to my
 duties, so far as the issuing of
 tickets in my absence -

I am now twelve years in your
 service as relieving officer - for some
 years during this period attending
 to the wants of the entire Union there
 being no other relieving officer.

I appeal to you if I have not
 during this long period attended to
 my various and troublesome duties
 with care and diligence

The cases of provisional relief, and applications for relief were considered and decided on, as set
 forth in the Application and Report Books.

The number of Provisional Admissions to the Workhouse confirmed was - - -

The Bonds and other securities in force were laid before the Guardians by the Clerk, together
 with his Report thereon, as follows: (this on the second Meeting after the Annual Election in

Any error I may have committed was
 unintentional and if overlooked on this
 occasion - I shall be most careful
 that nothing shall occur in future that
 would deserve disapproval and that
