Gentlemen

I beg to report that during the last few weeks I have visited Angria and the northern parts of your District and ascertained that all persons in that part of the District keep out their Cattle at this season of the year. but in the Town of Sellyden a few persons keep their pigs in their Dwelling Houses and in such persons I have served notices calling on them to remove the pigs before 24 hours or I would be obliged to take proceedings in such cases.

The sanitary state of the District so far as I have seen is quite clear —

Gentlemen

Baths are essentially necessary for patients in the Infirmary. Several cases have lately arisen and are being now under treatment who require them.

I would suggest that a bath be put in the Wash house and doors to communicate with it from the female ward.

There could be one fixed in the Sanatic ward which is not used for any purpose and a door leading from the male ward to it the expense would be trifling and the benefit arising from them very great.

Dear Gentlemen
your obedient servant

C. Payne Esq
Ordered that one bath be erected. And that we see what it may cost and how it will work and then

Clerk he directed to carry it out.

Ordered that Mr Forham be called
upon to send in his reply on this
day week

Gentlemen

I beg leave to state that on
Friday the evening the 7th of July
I went to Mr. Davern. Master
of the Workhouse to get some
bread I was short of the full
supply for the day that was issued
in the morning. I said I only got
21 lbs of bread. He insisted I did

I said not. and that I would swear
to it. He then asserted I would swear
a lie. and also that he was certain
I would swear anything. I would
think of. I then said how dare he say
that I would swear a lie. He then
got up at his chair and ordered
me out of his room and took me by
the shoulder. I am almost certain
from the rage he was in. he would have
assaulted me very much if I remained
a minute. He then said I was mad.
I said I was neither mad or drunk
but at his peril leave the patient short
after he considered awhile he sent
me 3¹/₂ lbs of bread. I now gentlemen
report the matter to you to seek redress
and protection from such assaults and
insults. as I still can swear that
I only got 21 lbs of bread. also the
Ward woman that was with me

I have the honor gentlemen
to remain your very obedient servant

19th July 1871

Gentlemen

In reference to the complaint
of Mrs Fogarty, Asst. Hospital Nurse. I beg
to state that on the day in question
at about 8 o'clock a.m. I had given
to herself in person the supplies for
the patients for the entire day. She
even asked me when weighing
out the bread "Is Mary, Clifden
a patient?" I said "yes her bread
is there" She saw the bread in
the scale the weights in and perfectly
well knowing the weight of bread

required did not say there was not enough or there is so much required or anything in reference thereto she left satisfied (I presume) she had the proper quantity

At about 4 o'clock in the evening when I was at my dinner she came to my room and asked "what bread did you give me today" I replied "24 1/2 lbs" (the full days supply) she said "you did not but 21 lbs" I replied "I was sure I did" she said she would swear I did not to that I replied that if she did she would swear to what was not the fact - I certainly have no recollection of saying she would swear a lie twice or thrice

The cases of provisional relief, and applications for relief, were considered and decided on, as set forth in the Application and Report Books.

The number of Provisional Admissions to the Workhouse confirmed was

Ditto disallowed

The number of applicants admitted to the Workhouse was

The number of cases of provisional Out-door relief was

Do. do. in which relief was continued by the Guardians

The number of other applicants in the Relieving Officers' Books relieved by order of the Guardians was

The number of applicants for whom relief was not ordered was

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his Report thereon, as follows: (this on the second Meeting after the Annual Election in every year.)

repeated

Deeming it very unbecomingly that Jas Master of the Workhouse should hold any altercation with a subordinate officer. I told her to leave the room and when she did not I got up from my dinner put my hand on her shoulder and told her to leave the room shutting the door after her (which she almost dashed in my face) and returning to finish my dinner

Considering it of paramount importance that on any consideration either wilfully or mistakenly on the part of any person the patients should not suffer. I sent 3 1/2 lbs of bread very shortly after though quite satisfied in my mind I had given the 24 1/2 lbs in the morning

I had no intention of insulting or assaulting the Hospital nurse and I respectfully submit gentlemen that under the circumstances I did not do anything derogatory to my position as Master of your Workhouse

I have &c &c

Gentlemen

I was called upon on Sunday
last to go to Bishbiffin to attend Dr Hart
who was ill in fever contracted in the
discharge of his duties. When I reached
there I found the room in which the
Doctor lay a most unhealthy place
for a sick person there being no
possibility of obtaining medical
attendance or proper medical
confort. I immediately ordered
him to be removed to Wexford
I accompanied him to town and
I am happy to say that he is now
much better & may say convalescent
and I trust that he will be well
again in a few days —

Dr Hart requested me to make
his case known to your Board and also
to the Dispensary Committee which I
accordingly do
