Sir

I have been informed by Mr Freyes that McEvilly of this place has made a statement to the effect that I was paying Joyce the Relieving Officer for this district a discount of one shilling to the pound.

I feel myself called upon to contradict such a false assertion. I have not made any such promise neither did the man ask it of me.

You can very plainly

see that it was envy on his part that made him express these statements  
Yours respectfully
