L of B Letter No 17976 Dated 8th July 1881
Relative to Clerk's letter on the subject of
the Seed Rate referring to their order
of 20th August 1880 and pointing out
that under the present law payment of
half the Seed Rate must be made
to Commissioners of Public Works on the 1st of
August 1882 whether the guardians make
a special Seed Rate or not, &c &c

The guardians beg to say that in their
opinion that not only would it be for
the ultimate advantage of the Union
to defer for the present the collection
of the first instalment of the Seed Rate
but they are strongly assured that
the present high rates in the Union would
render the collection of a further instalment
in the shape of the Seed Rate almost
an impossibility. They see that by
striking the rate before the 1st of
August they can legally evade
the collection of the Seed Rate ~~but~~
they therefore propose to strike the
two next ordinary rates before the
1st of August 1882 and 1883 and
include the Seed Rate with them

If the payment to the Board of Works is enforced on the 1st August 1882 and 1883 they will obtain a temporary advance from the Union Treasurer on the security of the Seed Rate to meet it
