L. J. B. Letter No 24106. Dated 3rd July 1883
Forwarding copy of letter from the Rev M Farragher complaining of the case of James Folan — with copy of their reply.

In answer to the Rev M Farragher letter received from the Local Gov Board, referring to out door Relief having been refused to James Folan — we beg to state that this case was fully gone into by the Board (7 members being present) on this day week and that they ruled the case according to the best of their judgment, and information before them — we do not therefore
see

any reason to alter the decision then arrived at

Forwarding copy of letter from Mr Stephen King complaining of alleged connection of Mr Martin with Poor Law Guardian. with the contract of supplies to workhouse —

Ordered that with regard to this Complaint the Board have to state that the

Matter in question was before the Board some years ago. and consider it too stale a case to be reopened again

Proposed by Edward Bendall Esq JP
Seconded by Thomas Hazell Esq

That we the guardians of the Clifden Union, respectfully ask His Excellency, the Lord Lieutenant to direct his attention to the great social and material advantage which would be conferred on a very large area of Country (about 50 square miles) if he were to assist the undertaking of a Railway from Galway to Clifden —

We believe that without such a work distress and partial famine will be of periodical occurrence here and we are convinced that compared with the benefit which would accrue to this District from a Railway all other measures are mere palliatives.

That the Clerk be directed to forward a copy of this Resolution to the Lord Lieutenant

Read letter from Solicitor of Board of Workhouse. requiring payment within six days of £52. 2. 10. on account of local Board's loans.

The consideration of relieving officer Berry's case adjourned to this day three weeks.

Notice of Motion

I will or some guardian for me on the 1st August, move that the time has arrived that the Services of the extra Relieving officers which were appointed temporarily some months ago can now be dispensed with, also that the Relieving officers districts be rearranged accordingly with the view of reducing the number of Relieving officers -
