The Clerk read list of candidates duly nominated for the office of Magistrate for year ending 25th March 1885

The Clerk having reported that the Treasurer refuses to cash the Union Cheques and that all lodgements of Rates are impounded until the second instalment of Seed Rate £996-15-0 is paid off—

Resolved that we earnestly and respectfully request the Local Government Board to come to our aid with a grant from the fund at their disposal, to the extent at least of paying off the monies due to the Board of Works

the collectors are doing fairly well with their respective collections, but owing to the depressed and unsettled condition of the small farmer and the Ratepayers generally, it is next to impossible to bring in the Rates to the extent of clearing off the Balances due, and meeting the current requirements.

We also feel that by putting heavy pressure on at present when every effort is being made to reap the land for the poor people it would eventually lead to total inability to meet their liabilities —

Valentine Keene,

Resolved that the consideration of the contracts be adjourned from the 19th inst to Wednesday the 9th of April and that tenders for out door relief be inserted in the advertisements for the several Districts in the Union, be considered on same day together with tenders for supply of Potatoes for workhouse inmates.
