 " we are of opinion the qualification

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follow:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follow):—

L. J. B. Letter No 16.925. Dated 13th May, 1884
Relative to Vaccination in the Towns
of Kishboppin and Shank—

Medical to send in list of
Defaulters under compulsory Vaccination
Act.

Pursuant to notice of motion the
following Resolution was unanimously
agreed to

That in the opinion of the Board of
guardians it is most desirable to lower
the qualification of Poor law guardians
in this Union now fixed at £30 net
Annual Value—

That the Ratepayers have been

long aggrieved by the exceptional manner
in which this Union has been dealt with £30
rating being the highest in the power of the
P. L. Commissioners (now L. J. Board) to impose
a qualification which is not in existence
(with few exceptions) in any of the Unions in
Ireland, exceptional also because of it
being one of the poorest Unions in Ireland
where the valuation of the great bulk of the
Ratepayers is from £5 to £7.

That consequently there is no satisfactory
representation of the Ratepayers at the
Board of Guardians, no one at all being
eligible in some of the Electoral Divisions,
and the Ratepayers are obliged to accept
Men as their Guardians who do not
pay any rates in the Divisions, they
represent and who consequently have
no interest, in common with them, and
the few that are eligible in the Union and
resident therein, and who have been
annually coming forward for reelection
and accepted de novo, because there
were none other, to select, in some
instances have not the confidence of
the Ratepayers.

These are facts which will be shown
to be undeniable— There is a
Class of Ratepayers in this Union
whose holdings, have a net Annual
Value of £7, who are enabled
on the security of their holdings to borrow

money from the State for improvements thereon, thereby giving them a stake and position in the country. Some of these are most intelligent men and would make the best practitioners to protect the interest of their class, which is the great bulk of the ratepayers, and would be in full sympathy with the poor and destitute. We think therefore the intelligence of the Board would in no way suffer or diminish by the proposed change, and as we are desirous that each class of ratepayers should be fully represented, we are of opinion the qualification should be reduced to

The cases of Provisional Relief, and applications for relief, were considered and decided on, as set forth in the Application and Report Books.

James Forham
Bernard Maguire

Resolved That this Union be divided into three Districts of Relieving officers, and that they be as follows.

No 1 To comprise the Electoral Division of Ballinakill, Cleggan, Cash Killery, Miskoffin, Kenyle and Lillerna, 6

No 2 - The Divisions of Banowen, Clifden, Duncumna, Dunlea, Donnylough, Miltinan and Roundstone - 7

No 3, The divisions of Bencor, Illim, Knockboy, Moyrus, Owenjordan and Shanive - and that

the Local Government Board, be requested to sanction this arrangement, as there is no distress whatever in the Union and the Board are anxious to reduce the expenditure owing to the financial state of the Union.

We further propose that the Salary of each Relieving officer be fixed at £30 *ster pa annum*.

Bernard Maguire
Wm W Dunell

Agreed to Wm Maguire dissenting -

Resolved That the services of Dr W Keogh be dispensed with and that Dr W Dunell of Letterpack be appointed pro tem, at a remuneration of £3.3. per week

and that the proper steps be taken for the appointment of a permanent medical officer for the district on this day fortnight and that no Allies take over the medicines &c &c

Bernard Lee
Neph McDunnell

Resolved that no out door Relief be given in future in the Union without the Doctors certificate.

Very Rev P Synsky made the following charge against Messrs Manjan R.O and R.P. - "that they made use of expressions in the House of St Michael's calculated calculated to make the public believe that Father Synsky and the other Priests, interfered with the action of the Board in coming to their decision on a notice of motion handed in by W B Duane, relative to an increase of salary to Relieving officer Manjan and afterwards withdrawn by W B Duane"

The Board decide to express their condemnation of such conduct, on the part of any member or officer of this Board and if W Manjan R.O, does not give a satisfactory explanation he be called upon to resign. We trust Father Synsky and the other Priests will be satisfied with this action on the part of the Board in this matter
