L. J. B. Letter No 24. 122 Dated 24th June 1884
Relative to report of Mr Robinson L. J. B. as to the unsatisfactory financial condition of the Union and the general management of workhouse &c

Resolved In reply to L. J. B. Letter No 24. 122. dated 24 June 1884
We beg to state that we are using our best exertions in urging ~~our~~ ~~best~~ on the Collectors to a rigorous collection of Poor Rate and headrate in their respective districts. but owing to the impoverished state of the Union generally, — the entire want of employment — the number of

Small Land holders — who have emigrated — been evicted from their holdings and died — for the past three years, they find it next to impossible to make progress, with the Poor Rate — add to this the heavy expenditure for out door Relief, the number of Relieving Officers, Medical Officers &c in a Union otherwise heavily taxed —

Under these circumstances, we respectfully call on the L. J. Board to press on the Government the necessity of coming to our aid with a grant to enable us to tide over the current year — and a new Rate will be put in preparation without delay, the other matters referred to in Inspector's report shall have due attention.

Visited this Workhouse, the whole place seems to be in as cleanly a condition as could reasonably be expected. The officers of the House it would seem are very attentive to their respective duties. It is we are sure barely necessary to call the attention of the Guardians to the condition and surroundings of the altar in the Chapel — The drapery sadly needs to be replaced by more befitting ornaments. The Candelsticks require to be replaced by better. The painting out of character, it will require but a very trifling outlay to effect the desirable change recommended and we make no doubt of the Chaplain whom in that capacity it concerns (immediately) represents the matter to the Board of Guardians due provision will be made of
