The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon as follow:—

The following Letters from the Local Government Board for Ireland and others were read by the Clerk, and directions given to answer them respectively to the following effect (or Orders made on them respectively as follow):—

Read letter from Miss Geraghty Schoolmistress of Worktownce resigning her appointment with the view of joining her family in Australia - requesting the guardians to allow her salary to the 25th March next together with amount of result fees, for past year £8-1-6 —

Ordered that Miss Geraghty's resignation is accepted with regret and the Board recommended that she be paid the sum of £8-1-6 result fees, and also her quarters salary be paid to the end of the quarter the 25th March next,

Ordered that arrangements be made and advertisements inserted in the newspapers for the appointment of a duly qualified medical officer for the workhouse at a salary of £60, the personal attendance of candidates indispensable - who ever is appointed if called away on any or Crown business or their own private business - shall pay his own substitute.

Resolved that as a mark of respect to the memory of our late medical officer Dr. Payne whose death, we so deeply deplore - we do now adjourn and request our Clerk to convey the expression of our deepest sympathy to his widow and bereaved family in their irreparable loss - a loss felt not only by this Union but by the poor of all the surrounding districts.

Notice of Motion

Take notice that on this day fortnight I will move that - we the guardians of the Chapin Union feeling a deep sense of the loss our Union has sustained by the sudden death of our lamented medical officer Doctor Payne - desire in some measure to testify our appreciation of the faithful and self sacrificing manner in which he discharged his onerous duties for

for the period of forty years that he has been connected with our Union and taking into consideration the fact that although failing health long since importunately called on him to retire on pension when fully entitled to do so he saved the Union a considerable sum by remaining in office. We do now want to his bereaved family a sum equal to one year salary and we request the Local Management Board to sanction same

We find that owing to emigration and to the inability of the collectors to prove the liability of the persons whose names appear as charged in the rate Books. It appears to your Committee that it is impossible for the collector to recover the amount that in the few instances in which the collectors might

produce legal evidence of the debt - the people are so poor and destitute that we could not recommend your Board to direct legal proceedings to be taken as it appears, to your Committee they would be unavailing. We find that a sum of £3000 has been repaid to the Local Government Board on account of the seed grant, of which sum £1900, was paid out of the rate struck for the relief of the poor.

In conclusion we would strongly impress on your Board the necessity of calling on the authorities to strike off the amount of seed rate, as we believe it is irrecoverable.

(Mayor)

We the Guardians of the Clifden Union, having appointed a Committee to investigate and report on all matters connected with the seed rate unanimously adopt the report now presented to us being fully aware of the very distressed state of this country at present. We would most earnestly press on the Local Government Board to carry out the recommendation of the

Committee to strike off the amount of
 Seed Rate. appearing outstanding
 and we would ask the Local
 Government Board to take into
 consideration the fact, that in consequence
 of the large sum of £1900, taken from
 the funds, we levied for the legitimate
 purposes of the Union. We are plunged
 deeply in debt unable to pay our
 contractors and that if the Authorities
 do not come to our relief either by
 repaying our Union the sum so
 deducted for Seed Rate or procuring
 us a loan. this Union, will be brought
 to the verge of Bankruptcy as the
 people of the Country are in such
 a distressed state. We
 will find it impossible to carry out
 our duty of giving adequate relief
 to the paupers

L. f. B. Letter no 13179 Dated 27 March 1886
Requesting to be furnished

Resolved that we beg to call the
attention of the Local Government Board
to the very great distress and wide
spread poverty existing in this Union,
and we would urge upon the Local Government
Board the necessity of getting the Government
to open up works of public utility
immediately. To the poverty of the Union
we need scarcely refer. The Rates are
already ruinously high, and consequently
people are unable to meet any
further addition to them. And nothing
but the immediate inauguration of
works can save the people from
starvation — and we earnestly,
and respectfully beg the Local
Government Board to recommend
to the Majesty's Government, the construction
of a Light Railway from Galway to
Clifden, which would open up the
Country and give employment in this
period of dire distress —
