Resolved that in reply to above mentioned Board Letter no 14. 168. in which it appears that Dr. Gorman's election is thought to be invalid because no Minutes of the proceedings of the meeting of the Dispensary Committee of the 17th Feb. ordaining the Election appears to exist.

We beg to state for the information of the Local Government Board that Minutes of the proceedings of the Meeting above referred to, do exist having been taken and entered at the Meeting after being read and agreed to. Signed by the Chairman Mr Bernard Maguire a free fortnight preceding the Election, that the statement contained in Mr Kendall's letter, was merely to the effect that the Minutes above referred to, were not copied into the Dispensary Committee Book. We have further to add that all the preliminary proceedings

the appointments were in regular order and in strict accordance with the general orders of the Local Government Board, regulating the appointment of paid officers.

That the Election took place on the 3rd of March - that Dr Johnson received a majority of votes (valid), and we respectfully say we see no irregularities which would invalidate the Election - Before resorting to a new Election for which no valid ground appears to exist - we earnestly request the L.G. Board, will again take the matter into their consideration and if necessary call to their aid the assistance of Counsel It is a serious matter for Dr Johnson
