Resolved— We the Clifden Board affidians representing the inhabitants of the Western District affalway finding that the Irish Drainage Bills have been with a down for the present, most earnestly and respectfully call upon the Government to proceed with the second portion of the report of the Royal Commission on the construction of Irish Railways and Fishery harbours so far at least as to allow of the immediate construction of the line of Rail from falway to Clifden so strongly recommended by their report— we request our Chairman to forward this Resolution to the Chief Secretary and to support our views in doing so.

Ratepayers on the Estate of Colonel Browne resident in the Electoral Division of Doonoughan having informed the Board that they were summoned by the Poor Rate collector on several occasions and the Magistrates dismissed their cases on the grounds that they were unfairly rated— reference having been made to the Clerk who informed the Board that a large arrear of rate appeared against this Electoral Division on the Estates of Col. Browne and the late Mr. R. Berridge and that the arrears of rate so due appears to be very complicated owing to the several changes of occupancy valuations etc. and that it would be very difficult to recover them by law.

Ordered. That the clerk be requested to submit the whole matter to the Local Government Board with a view of having the arrears disposed off.
