Adverting to L. G. B. Letter No 18. 926 Dated 18th June 1889.
Relative to the boy Peter Joyce who had been
Committed to Letterfrack Industrial School
which was referred to the master for Explanation
Read following explanation from the Master..

The Workhouse
June 25th 1889.

Gentlemen

In compliance with the order of your Board
June 19th 1889 with reference to the Explanation required
by Local Government Board's letter No 18. 926 Dated 18th June 89
I have to state.- That that the boy Peter. Joyce (or
Griffin) referred to in said letter is the Illigitimate
Son of a woman named Margaret Griffin, both

mother and Son were admitted into this House on the 24th
May 1884. both were registered by the name of Griffin
and were known to me since only by that name.
I do not dispute the fact of Peter Griffin being out
of the House as stated on the 8th April last— Boys were
and are frequently sent with messages and letters
to the Chaplains Doctor and others. He had no
Authority from me for being out on that occasion
nor can I find any entry of his absence on the
Porters Book— as the Contractors for the supply
of Turf were about that time busy in supply
-ing it, it is possible he could have gone out
by the Turf yard gate. I understand Griffin
was served with a Summons to attend at Petty
Sessions took his discharge on the 16th April
Came back on the evening of that day for
lodging and finally left on the 17th ult. I
desire to state that I was anxious to afford
Griffin and other Boys circumstanced as he
was every facility to enable them to obtain a
place in the Industrial School or some such
Institution of the sort as by doing so I
Considered I was best serving the Interest of
the Ratepayers and assisting the boys themselves
towards their future well being from the fact
of having them placed in an Institution where they
Could have an opportunity of learning a Trade
or some other useful occupation that would enable
them in after life to become useful members of
Society instead of as I believe often happens
with Boys similarly situated remaining life
long Inmates of a Workhouse in ~~so~~ doing so I
never for a moment imagined that I was transgressing
any rules of the Local Government Board—

I remain gentlemen Your obt Servt.

Gentlemen

With reference to another charge preferred against me by Mr. Con King a copy of which I have received from the Clerk of Union — I beg to state that Thomas Burke paid the £1- 3- 0 the amount of receipt forwarded by Mr. King in the year 1885 being three Instalments of seed due by him in respect of a holding occupied formerly by Festus Burke. Thomas Burke left an arrear of 7/8 due in the same year in respect of his own holding this arrear together with the Instalment assessed on him in the year 1885 (Rate made 9th day of September 1885) of 7/8 in respect of his own holding and 7/8 in respect of Festus Burke's holding made £1-3-0 which sum Thomas Burke or at least Mr. King paid for him at the recent Election for Dunmore Division. I have looked up the Abstract Book for 1885 and find that 1/3 is entered instead of

of £1- 3. 0 this is certainly a clerical error as 5/3 is neither an instalment of seed or any such sum is not appearing in any of my warrants for Seed Rate - but notwithstanding this Burke is charged only the proper sum as he has been credited on the warrants with the payment of £1- 3. 0 had he not he would owe £2. 6. 0 As to his reference to Thomas Sweeney I beg to refer to my explanation of the 17th Inst. I say it is a gross falsehood to say I in any way assisted Mr. O'Malley in the Election. I was quite disinterested and did not Care which of the candidates paid the Seed Rate of the voters. It is also false for Mr. Mc Kuig to say that I gave Doctor Gorham a receipt for Thomas Sweeney or that he paid me any money for him

Resolved. — We the Guardians of the Clifden Union representing the inhabitants of Connemara. have seen with dismay a statement in the public papers that it is probable the Railway bill introduced by the Secretary for Ireland will not be proceeded with this Session aware of the distrous effect this delay would have on this District and being fully aware of the deep interest the Secretary takes in the deep interest the Secretary takes in the material improvement of our Country and that he is satisfied of the absolute necessity of giving Railway accomodation to this remote district. We on behalf of the people most earnestly request the Secretary for Ireland not to allow any obstruction to prevent his having his Railway bill passed before the close of this Session of Parliament — we request our Chairman Major John Talbot D'Arcy to forward the Resolution to the Chief Secretary for Ireland.

Gentlemen

I beg to acknowledge copy of a letter addressed to Local Government Board by Mr. Thomas Coneys of Streamstown relative to a demand made by me for Poor Rates and arrears due by him in respect of a tenement of his named Michl McDonnell valued at £4. only and in reply I beg to state that since I became Collector I have demanded the Rates year after year from Mr. Thomas Coneys as it was impossible for me to see his father who had been bed-ridden for the last seven years and no person having access to him except some member of his own family. the present Mr. Thomas Coney, who now succeeds his father. asked me to summons McDonnell for the Rates which I did on several occasions at the repeated solicitation of Mr. Coneys and my proceedings were dismissed. I now beg to refer to the Law on the subject 6.& 7 Vic Cap 92 which clearly lays down that in such cases the Immediate Lessor is the proper person to proceed against.- I accordingly applied to the Guardians for liberty to serve the usual notice which was granted me and I have since proceeded against Mr. Coneys and obtained a Decree against him for the entire amount of Rate & arrears - notwithstanding that Mr. Coneys resisted the proceedings through himself and his Solicitor - As to his allegation that influence was brought to bear on me to prevent
