Cly. B. Letter N^o 49535. Dated 23rd December 1890.
To the effect that the amount of remuneration proposed to be allowed to M. Keig for his services pending the appointment of clerk had not been inserted in the replies to their inquiries.

Cly. D. Letter N^o 1574 Dated 23rd December 1890
Forwarding Rules and Regulations and the General Order prescribing Rules and Regulations under the Seed Potatoes Supply (Ireland) Act 1890
Resolved— That we the Board of Guardians of this Union consider that the occupiers of land in the Electoral Divisions of this Union are generally unable through poverty and the extent of the failure of the potato crop to procure an adequate

Supply of Seed Potatoes and that we shall at a meeting to be held on this day fortnight apply to the Local Government Board for Ireland for a loan under the Seed Potatoes Supply (Ireland) Act 1890 for the use of the said Electoral Divisions of this Union, the amount of the loan to be applied for the said Electoral Divisions to be such as we shall determine at that meeting.

Ordered— That the clerk be allowed assistants not exceeding four at £1. per week

Ordered— That the clerk take steps to have the notices with regard to the Seed Potatoes Supply posted this evening if possible— and the clerk be instructed to advertise for tenders for large supplies of Seed Potatoes in the North of Ireland and Scotch papers.

Ordered— That when the potatoes are being delivered there be a Committee of identification in connection with each Division of the Union consisting of the Guardian of the Division the Estate Bailiff and the Relieving officer.

Read the following four applications for the position of clerkship viz:— Mr. John Gillmore, Mr. Peter H. Joyce Mr. Thomas Lydon and M. Festus Keig

Proposed by G. H. Thomson Esq. J. J.
Seconded by Walter, S. Wall Esq. J. J.

That M. Festus Keig be appointed as successor to the late M. Burke who had acted as our faithful and able clerk for so many years— and that we consider a more qualified man could not be appointed— you are all familiar with him and know his qualifications as well as we do—

There being no other candidate proposed or
Seconded - Mr. Festus King was this day
Unanimously Elected as Clerk to the Clifden Union

Read - Two applications for the position of Temporary
Relieving officers for Roundstone N^o. 2. District -
but owing to the large amount of work at present
going on in the barna District. It is the unanimous
opinion of the Guardians and also of all the
clergy in this Union that the appointment of a
Temporary R. O. be postponed for a fortnight
and we trust the L. G. Board will not insist at
present on the appointment unless the Guardians
consider it necessary which at present is not the
case, as the appointment would in our opinion
certainly cause a lot of abuse in the way of
unnecessary and illegal out door Relief which
the Guardians would find almost impossible
to check

Resolved - That the Relieving officers be ordered to
post at the chapels and Police Barracks in each
Division every week, the names of those who are
in Receipt of Relief

The cases of provisional relief, and applications for relief, were considered and decided on as set forth in
the Application and Report Books.

The number of provisional admissions to the Workhouse confirmed was
Ditto disallowed
The number of Applicants admitted to the Workhouse was
The number of cases of provisional Out-door relief was
Do. in which relief was continued by the Guardians
The number of other Applicants in the Relieving Officers' Books relieved by order of the Guardians was
The number of Applicants for whom relief was not ordered was

The Bonds and other securities in force were laid before the Guardians by the Clerk, together with his
Report thereon as follows: (this on the second Meeting after the Annual Election in every year).

In consequence of the report made
by Mr. Thomas M. Donagh, a Guardian, and
who was appointed by the Board to enquire
about the delivery of the Turf into the House.

That the master refused to measure the

the occasion. The master be directed to give
his explanation in writing by this day week

Lf. D. Letter N^o. 47. 2114 Dated 10th December 1890
Read following explanation from Mr. James Morgan.

Gentlemen.

I beg to acknowledge copy of Mr. Wray's letter dated 29th November 1890 relative to

the Poor Rates which were paid on the premises at Ewallyagh. As to me not having seized the late Dr. Kearney's furniture or asked him for same I beg to say that I did ask him and would have seized for same but he the Doctor paid the money in lieu of Rates to Mr. Wray and I expected Mr. Wray would pay me as the Doctor told me he would, when I saw that I was not paid by either up to the Doctor's death I would not allow any furniture out of the House and was going to make a seizure when Mr. Cornelly the Doctor's mother paid me. As to the length of time I held the farm from Miss Broughton I believe I had it 7 or 8 days when the Doctor told me himself had it - I had given £2. for getting possession (I beg to refer to my former explanation) so I lost my £2. for nothing - as to my demand for rates I beg to say my demand was always made according to my warrant at the time being as my warrant can show. - Hoping your honourable Board will consider that I have always given satisfaction to the best of my ability

I am Gentlemen

Your obedient servant.

PR Collector

Mr. Wray's letter returned herewith.

Read following Explanation from
Master of workhouse.

Gentlemen
In compliance with your order of the
31st December 1890 relative to certain charges made
against me by Mr. Thomas McDonagh I beg to
state - That on the evening referred to by Mr. McDonagh
I met him at the gate leading into the Turf yard it
was then close to 5 o'clock P.M. there was also a young
man of the name of Joyce there who was after
delivering a cart of Turf Mr. McDonagh that
the Turf be measured. I suggested that it would
be better to wait until morning as it was then late
and that I should have it measured before
issuing for use, Mr. McDonagh was not satisfied
with that arrangement, I then ordered it to be
measured, Mr. McDonagh left before the measurement
was completed, he and Joyce were engaged
in an angry conversation before my arrival
and during my time there as there were other
matters introduced besides the Turf I did
not consider it my business to interfere - I did
not know before I received the Board's order
that Mr. McDonagh was appointed to enquire
into the delivery of the Turf, with reference to
my being insolent on the occasion to Mr. McDonagh
I deny having been so I always entertained
the greatest respect for him and I don't think
there is one Boardman in the Union who
can accuse me of being insolent or
disrespectful to them during my time in

the Union workhouse

Hoping you will consider this explanation
satisfactory

I remain Gentlemen
Your obedient Servant
Patrick Higgins

The master having been called before the
Board was reprimanded and he
apologised to Mr. McDonagh and promised
in future that he will attend carefully to the
measurement of the Turf.

I beg to state that the Cause of my not Complying with your order at last Board meeting was that I had to attend at the Workhouse assisting the Clerk of the Union and his Assistants in looking over the names of the different parties who are applying for Seed Potatoes. Scarcely had I finished this when I was called upon to go to Outeard to defend an appeal Case made by Mr Cornelius King against me for a decree I obtained against him at Clifden Petty Session for Seed Rate due on his holding there. That is the Cause of my not being able to Comply with the order of the Board.

I remain Gentlemen

Bernard Bodkins tender for small shawls at 1/6 each was accepted

There were two bills for car hire viz from John McDermogh + Pat Mannion £3. 7. 6 under Seed Supply Act 1890

Ordered that they be paid £3 Each

Proposed by W. S. Wall Esq. J.P. Seconded by Richard Kearney Esq. and unanimously agreed to

Resolved that this Board beg to draw the attention of the Chief Secretary to the great necessity existing and likely for some time to come to exist for employment

for the labourers amongst us. Although the Railway affords relief to those who can get there, it cannot afford relief to several localities along the Sea-board where such a large population exists - we anticipate, should employment be further postponed in those localities, and the out-door relief continued as at present averaging in or about £30 per week the poor-rates will not be less next year than 18/- in the £ rate that will hopelessly swamp this union. We therefore trust that under the foregoing circumstances immediate steps may be taken towards the furthering of those useful works already understood to have been sanctioned with distress as well as a portion of the Charitable fund allocated towards minimising our distress

Ordered the Clerk to forward copy to the Chief Secretary

Proposed by Patrick O'Hara Esq. Seconded by James Goham Esq. J.P. and unanimously agreed to

Resolved that observing the widespread distress which now exists in the several Electoral Division of this Union and that the construction of the Railway from Galway to Clifden has not so far given employment to one fourth of the applicants for work thereon, we consider it our duty to call the attention of the Chief Secretary to the wants of the poor as here exist with the view of opening up relief works to give employment to the many applications for work and that a part of the Charitable funds now in possession of the Chief Secretary may be applied to this District with a view of, as early as possible, relieving the distressful poor

Approved of Clerk to forward copy to the Chief Secretary

Read following letter from Mr Stephen Joyce R.O. Kinoyle

Gentlemen.

Again I beg to bring under your notice the sad state of affairs which exists in the Cleggan Division owing to the great destitution which exists amongst the majority of the people - Almost every person in the Division has demanded out-door relief or employment of some sort to tide them over the great distress which now exists. I may add that only for the kind assistance of some Charitable Ladies at Letterfrack during the week, out-door relief would be double what it is for the week. I would suggest that the Road through Dundoughlass be repaired and also another road which leads through Mlow to the top of five Townlands. Every person in the Division is in favour of those roads which will be useful and give lucrative employment. Referred to County Surveyors
