 and no complaint being made of it constitutes a  
 brasting of bulk, and we therefore refuse now to do  
 more than we have done viz:- to deduct from the  
 account the loss in re-planting which has taken  
 place - We await to hear from you with Bank  
 Post Bill for the amount of our account as furnished  
 yours truly

The Clerk stated that he put himself in communication with the Inspector under Seed Supply Act as to the course suggested by Mr. Nolan Q. B.

Read Letter from Messrs Cross & Sons  
acknowledging receipt of letter of the 22<sup>nd</sup> Inst. with cheque £787. 14. 0 which they decline to accept in full discharge, but would put it to the credit of account subject to receiving wire on Wednesday to do so

29<sup>th</sup> May 1891

Sir

With reference to your telegram of the 26<sup>th</sup> Instant, requesting that the Revising Valuer may be instructed to remain some time longer in the Union of Clifden, to carry out some changes in connection with the Seed Supply Act, I am directed by the Commissioner of Valuation to state that he regrets being unable to comply with this request as, if he did so it would be impossible to have the revised Valuation Lists of the County issued before the Summer Assizes as required by the Valuation Act, and he has therefore instructed the Revising Valuer to return to Town, but the Commissioner will be prepared to make any <sup>necessary</sup> ~~at his own expense~~ revisions after Summer Assizes to meet the wishes of the Poor and Guardians if he is furnished with Lists of the Cases requiring revision, say about the first of August next.

In the meantime I am to draw your attention to the provisions of the Act 23 Vic. Cap 4. Sec. 6 which authorises the <sup>Boards of</sup> Guardians to make any changes in the Rate Books, at the time of making the Rate in order to enable them to make a valid rating.

Gentlemen

In reply to a copy letter of Mr O'Saras, addressed to the local poor Board, I beg to say that there is no refusal on my part to comply with any order of the Board of Guardians relative to me holding an office in the town of Clifden. I beg to point out to the Board, that my salary as Relieving officer is only £26. a year, which is very small indeed for the duties, and responsibilities placed upon me. Therefore I respectfully ask the Guardians and

And the local Government Board, to Consider my position, and grant me an increase in my salary, "which will enable me to get an office in the town," apart from my mother's house, I also wish to point out, that there are no vacant houses at present in Clifden. "And until such time as I could get a suitable place, I would ask the Guardians to let me have the use of the Registrars office, attached to the workhouse, I did hold an office in Dr Forhan's house, and in no other place did I pretend to hold it. There is not one single word of truth in Mr O'Saras, statement, by saying the poor people are abused &c, by me. Every person seeking Relief or Medical attendance, has

Resolved. That viewing, as we do, the distress existing  
in the Division of Errislanan, and  
the many applications made by this  
Board for Relief works in said Division  
particularly the Construction of an old road  
which connects the North and South roads  
terminating at Boat Harbour we again impress  
upon the Under Secretary the great importance  
of, at once, starting Relief works in the  
Errislanan Division so as to relieve the  
distress existing in the district, distant over  
7 miles from the Glifden Railway, where  
at present no relief in the way of work is  
afforded the many applicants who seek  
for same

Gentlemen

As a Sanitary Board meeting I have to draw your attention to the unsanitary state of the market Hill Road. now in midsummer the Sanitary officers allow large heaps of filth to close up the passage and fearful stench arising from this place is dangerous to the health of the town, and respectfully beg your Board to bring the attention of the Sanitary officers to it and have the nuisance at once removed. The place I refer to is just at Miss McDonnell's back premises

Gentlemen

In compliance with the order of your Board July 1<sup>st</sup> 91 they to state that on the weekly Medical Return Book (form 30) there are at present only ten inmates under treatment in Hospital none of which (as far as I know) being serious cases. They are attended to by two female inmates one of them an old woman who has been engaged in this capacity for I believe over 20 years the other a patient recently discharged from Hospital. In the event of fever or any other Epidemic breaking out there are in my opinion at present no female inmates in the House willing or even competent to attend to such cases I understand in most Unions there is a nurse or skilful woman paid for attendance on all such cases of an infectious or contagious character.

Referred to Doctor Gorham and the Board

will thank him to state whether he considers the present arrangement sufficient
