Gentlemen "Clifden ~~work house~~ ^{Waterports}

I find there are about twelve tenants on Mr. Frewin's Estate with whom it will be necessary to deal in the way of giving them some small compensation. The two landlords Messrs Eyre & Frewin will also have to be compensated. I think in Mr. Eyre's case that he will be entitled to little or nothing as some of the people of Clifden are I understand entitled to the place or portion of it. The late John Darcy Esq. having given them parts of it - of course if you authorize me to make the necessary inquiries and arrange as to compensation to be given I shall do so at once.

Yours faithfully
J. J. Connelly

Ordered. That Messrs Darcy, J. Messrs W^m Gorham, P. O'Neill, P. O'Hara and the Rev. R. Diggins be requested to arrange the compensation to be paid to get the land from all parties.

As the Guardians of the Bellifaun Union having taken into consideration the explanation of Relieving officer Lydon in connection with the charges in Mr. O'Hara's letter to the Local Government Board, In compliance with the Local Government Board's wishes we beg to state for their information that Mr. O'Hara's charges are groundless we are perfectly satisfied with Mr. Lydon's explanation, and are of opinion that the condition of the people renders it unnecessary to call so often at Sillerna Division

Lg. B. Letter N^o 23 821 Dated a 20th June 1892
Acknowledging the receipt of the Guardians' resolution on the 8th instant relating to the complaints preferred against Relieving officer Thomas Lydon in connection with the administration of Out-door relief, and stating that in deference to the opinion of the Guardians they will not proceed further against Mr. Lydon in this matter but requesting that he may be informed that a strict compliance with the Guardians' orders will be required in future.

Lg. B. Letter N^o 23 821 Dated a 20th June 1892.
With reference to the minutes of the Guardians on the 8th instant containing statements from Messrs Thomas Lydon and Stephen Joyce Relieving officers on the subject of the administration of Out-door relief in their respective districts, and stating that they see no reason to find fault with Mr. Lydon's mode of procedure with regard to the administration of Provisional relief, but they regret they cannot express the same opinion in regard to Mr. Joyce's explanation, Mr. Joyce appears to arrogate to himself the powers of revising the decisions of the Guardians on applications for relief and his action is calculated to deprive the Guardians of the power of applying the Workhouse test in cases where they deem it desirable to do so, and forwarding for the information of the Guardians a copy of a letter which they have addressed to Mr. Joyce

in reply to a communication received from him on the subject which they ^{also} enclose, and requesting the Guardians observations relative his claim for remuneration for extra duties in connection with the outbreaks of fever in his district in the past and present years. —
 The Guardians for the District consider that Mr Joyce is sufficiently remunerated.
