L.G. B. Letter No. 17. 151. Dated 29th April 1897.
With reference to the proposed change in the dietary of the inmates

Gentlemen

With regard to the substitution of one half pint of milk instead of one pint of Tea in the evening to the inmates in the body of the House - I am of opinion that four wine glasses of the milk supplied to the Workhouse would not be the equivalent of one pint of tea. I would therefore suggest that one pint or at least 3 muggins be supplied instead of the tea; and further as to the Infirmary diet I would suggest that instead of one pint of milk every alternative day to each patient one pint daily to each patient be given

Yours obt Servant

P. C. Gorham Med Officer

Ordered: That a full meeting of the Board be summoned for this day fortnight to consider the medical officer's report.

Gentlemen

I beg to inform you that with regard to the alleged assault by Michl Conroy on Michl Laffey (two inmates) on the 18th ult. - This matter was brought under the notice of the Board on the 23rd ult when it was decided (please see minutes) Laffey was not content with the decision and had Conroy summoned before the magistrates at Petty Sessions at Clifden on the 6th inst. The case was dismissed.

I also beg to draw your attention to the conduct of three of the inmates Sally O'Donnell Mary Lavery and Mary Walsh whose conduct by the use of dirty filthy language towards one another was so bad as could not be described. This occurred on the 1st instant. The Rev Peter Varden

Lg B Letter No. 23954. Dated 23rd June 1897
With reference to the proposed substitution of a pint of milk for a pint of tea and half ounce of butter in the supper of the aged and infirm inmates of the Workhouse.

Gentlemen

With regard to your resolution proposing to substitute a pint of milk for a pint of tea and one half ounce of butter in the supper of the aged and infirm inmates of the Workhouse.

I beg to state that some weeks ago my opinion was required by you as to the advisability of substituting half a pint of milk for one pint of tea for the supper of the aged and infirm inmates

I stated that in my opinion half a pint of milk would not be the equivalent of one pint of tea, but I suggested to substitute one pint of milk in lieu of the pint of tea in the evening

In addition to the tea your Board adopted a resolution to add half an ounce of butter to these aged and infirm inmates

I am of opinion that the butter be retained in addition to the pint of milk

On reference to the dietary table of the 14th March 1894. I find that four ounce of bread and one pint of tea was allowed to the aged and infirm inmates for supper and this diet has been continued with an addition of one half ounce of butter up to the present.

Your obedient Servant
P. C. Forham

Medical Officer

Resolved:— That we adhere to our resolution of the 9th of June that a pint of milk be given daily for supper to the aged and infirm inmates instead of a pint of tea and half ounce of butter
