Carna 19th October 1897

Dear Sir

The Congested Districts Board are about to divide the Carna Estate among the tenants, before making the division they have expressed a willingness to give a plot of land as a site for a Doctors residence, I am most anxious that the Guardians should build me a house and dispensary under a Board of works loan. This is a rare opportunity of carrying this proposal into effect and I trust that the Guardians will be good enough to take immediate steps to acquire the necessary plot of land. before the Congested Districts Board's Engineer sets about striping the lands
