Lg B. Letter No. 28. 515. Dated 2nd July 1898
With reference to the remuneration of Union officers for their services in connection with the seed supply.

Resolved: - In reply to Local Government Board's letter regarding the remuneration of Union officers for their work in connection with the seed supply. We beg to say that taking into consideration the great amount of work done by our Clerk Mr. King we request the Local Government will reconsider their decision and express their sanction to reasonable remuneration for the services of our Clerk

The Clerk of the Oughterard Union was paid a sum of £40 which sum was sanctioned by your Board notwithstanding that he has not half the work of our Clerk. As in the Oughterard Union only 150 tons of seed potatoes were distributed, and no seed oats while at Clifden 332 tons between potatoes and oats were distributed.

We have also considered the case of Relieving officer Canavan and taking into consideration the very large district he has to work

We recommend for the consideration of the Local Govt. Board a payment of £10. instead of £7: 10: 0 as sanctioned

Resolved: That the price per day to be charged for use of the spraying machine be reduced from 2/-
