Copy report from Roman Catholic Chaplain Book

July 1st This day I baptised the illegitimate child of an inmate of the House named Bridget Larkin she hails from ^{Mr} Galway is in the house here since 4th April: - States she was in the service of Capt. Cowan Prospect Hill Galway, and that the father of her child was Pat Daley of same place. If the state of the law is such that a person after the best part of his life spent in England, can be sent across the channel to be a burden on the rates of the district where he was born, it does seem strange why this girl was not or could not be sent back to the Union in which lived the partner after shame - To my mind it is a case that calls for inquiry

A Canon M. Alpin

Ordered: - Before this woman is discharged the Master is to get her to make the necessary declaration as regards the father of her child

Immediately after the Chairman had vacated the Chair several members left Mr. J. J. Darcy Vice Chairman took the Chair and was about taking up the question of the two tenders again when the Clerk remarked that the presence of the Chairman in the Board Room would invalidate the proceedings.
