The Reports of the ~~Master~~ and other Officers were read, and Orders made thereon, as follows:—

Gentlemen,

I respectfully wish to bring under the notice of your Board that there is only one ward woman in the boay of the House who has to take charge, wash & scrub for 33 infirm old women some of them bed-ridden. Along with that she does the washing of the male infirm ward. — It is very sad, as well as dangerous to see 16 or 17 old women by themselves at night should any of them fall out of bed & there is no one to put them back. The Ward woman can only be in one ward at night. The medical Officer has advised me to apply for another ward woman as well as explain about it. The woman cannot do all the work and keep the place clean

Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

Masters Report:—

Gentlemen, I beg to inform you in consequence of the fish Contractor not having supplied fish as ordered last week I was obliged to substitute Butter instead to the inmates. The Contractor states that he cannot get Herrings either in Clifden or Galway, a statement from inquiry I have made I believe to be true.

In consequence of Wardsmaid Mary Dineen who was only appointed temporary having left on Sunday the 24th July the Medical Officer has handed me a requisition on 30th July. I employed Delia Conroy of Clifden to act as wardsmaid.

There is a leakage in the Steam pipe which conveys steam to the laundry, and the fitter who examined it states that repairing is useless and that a new pipe should be substituted as the old one is rusty & liable to give way at any moment.

A Copper pipe to be procured and the work to be done properly.

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—
