B. letter no. 114. 985: Dated 7th March 1905 stating that the County Council of Galway at their meeting on the 2nd instant adopted a further resolution in regard to the continuance of exceptional distress in the Clifden Union notifying that in pursuance of Section 13 of the Local Government (Ireland) Act 1898 a further order will be made on the 16th instant Authorising the Guardians to give out door relief to all classes of destitute poor persons subject to certain conditions

following resolution was proposed by Mr. Hara and seconded by Mr. Burke and Unanimously adopted.

Distress in Clifden Union

Even the Lord Lieutenant recognises that distress exists in the Western districts and the County Council of Galway have also admitted this fact by putting the 13 Sec of the Local Government (Ireland) Act 1898 in force with the object of starting Relief works in the Clifden and Oughterard Unions, Are the local Government Board how to ignore the opinions of all and refuse the opening up of relief works.

This Board cannot understand the action of the local Government Board in not acting with all the divisions of this Union in the same way: It appears that in the division of Sillerna 8 names were submitted by the Relieving Officers

and the 8 names approved and the works started there. in Errislanan 8 names were submitted and consideration adjourned. This shuffh we consider is not strictly in accordance with law. or Justice and we wish to bring the matter under the notice of the Local Government Board and request they will at once start the Relief Works while the Consideration are being postponed. The parsons at this days meeting have ~~submitted~~ admitted the cases to Out door relief pending the opening of the relief works and at next meeting if the works are not opened they must be admitted to the Workhouse.

The following are the additional names recommended by Relieving Officers byden and Coyne.

Sir

I beg leave to bring under your notice the destituteness of some of the inhabitants of Baffen Island. There should be relief works open forthwith to bring them relief. I have received a copy of the resolution re my request of duty in not bringing this matter earlier in your notice and in gracious response must say that inclemency of weather prohibited my attendance. The cause of some of the inhabitants of both Islands, Shab & Baffen being so destitute are threefold

- (a) the failure of the potato crop
- (b) the great loss sustained owing to the Swine fever attack
- (c) the harvest fishing industry of last season stopping so early.

and the price given being so meagre. I would therefore strongly recommend that you open up relief works at your very earliest convenience and in conclusion beg leave to deferentially remain

Yours obedient servant
William Pennington
