L.G. Letter No. 19.199 Dated 25 March 1905
In confirmation of the telegram of this date approving of the opening of relief works in the Miskbaffin District Electoral Division as from the 30th instant and authorising the employment of 24 workers on the North Beach Road and the appointment of Simon King as ganger at 10/- a week and the employment of W. Allies as Supervisor and Paymaster &c

L.G. Letter No. 19.671 Dated 28 March 1905
Approving of the payment of remuneration at the rate of £1. a week to W. Allies for acting as Paymaster & Supervisor in connection with the relief works established in the Miskbaffin District Electoral Division and also of the employment upon relief works of 25 persons and of the removal from the list of workers of the names of Anne Canning Quahornore and James Walsh, mislaid then making an increase of 23 to the authorised number of workers and stating that they are not prepared to authorise the opening of any additional relief works in the Cliffeullaun at present

Relieving Officer Canevan has recommended the following additional persons for employment on relief works:—
Owenquela:— Jos. Cooke Hylsalia
Skarnui:— Val Johnstone Thomas

Tellers: - Frank Davis Aughmore
 Clerks: Pat. Spring Ross

L. B. Letter No 19. 1887. Dated 28 March 1905
 stating that they have had under consideration
 the Pay Sheets for labourers employed on relief works
 in the Union during the three weeks ended the
 18th instant from which it appears that majority
 of persons whose names are included in the authori-
 sations did not avail themselves of the employment
 offered and that on many of the works so few
 persons have attended that the cost of supervision
 greatly exceeds the sums paid in wages to the
 labourers and in these cases where there is a serious
 disproportion between the amount expended on
 labour and the remuneration of officials ^{superintending} at the
 the works the guardians would be acting in the
 best interest of the ratepayers by placing upon
 the ordinary relief the few persons who are at

present attending the relief works as the Board
 will not be prepared to continue their contribution
 towards the cost of any works on which only a
 small number of persons are engaged
 - That a meeting be summoned for this
 day week to consider whether the relief works
 will be continued or not

moved by Mr. O'Hara and seconded by Mr. Darcy
 that the Contract for Sugar Mr. Clancy be
 allowed the difference in the price of sugar
 and the rise since the last Contract was
