Seed Potatoes and Seed Oats Supply.

We the Board of Guardians of the Clifden Union do hereby resolve that we consider that the occupiers of lands in all the Electoral Divisions of Clifden Union, are generally unable through poverty and the extent of the failure of the crops to procure an adequate supply of seed potatoes and that we shall at a meeting to be held on this day three weeks take the necessary steps with a view to applying to the Local Government Board for Ireland for a loan to purchase seeds.

It was proposed by Mr. John O. King and seconded by Mr. John Faherty that the Guardians representing each Electoral Division receive the applications of persons requiring seeds and that the Clerk supply the necessary forms to the guardians instead of to the Relieving Officers

Adopted

Resolved:— That while admitting the urgent necessity that exists for supplying good seed to very many of the people in the Clifden Union, we at the same time are of opinion that the seed should be provided at a price that considering the poverty of the people would not be prohibitive and accordingly we earnestly impress upon the Government the advisability of making in favour of the Union a grant in aid by which the price of seed would be lessened and the people thereby placed in a position to avail of it.

Masters Report:—

1908  
 January 29<sup>th</sup> Gentlemen. I beg to inform you that  
 Wardenmaid Mary A. Browne was under the influence of drink  
 in Hospital where she was employed on the 16<sup>th</sup> January inst  
 when spoken to by the Master relative to her condition she  
 left the House and did not return  
 By order of the Medical Officer I procured the  
 services of Maggie Gray of Clifden as temporary Wardenmaid  
 at 1/- per day and rations on the 21<sup>st</sup> January pending the  
 meeting of the Board

By order of the Medical Officer I also  
 procured by wire from the Medical Supply Association  
 Dublin (1) Waterbed, a set of Catheters à boucle and  
 2 Urinals (male) rubber.

On the Workhouse grounds there are a few old  
 disused sheds, some roofless that ought to be  
 removed. They are at present only receptacles for rubbish  
 &c and are dangerous to the inmates.

As Henry Robinson when last here said  
 it was a pity to allow the sheds on some of these sites  
 go to loss, and Major Fair more than once expressed a  
 wish that they should be taken down and removed

The provisions received during the War  
 are of good quality and so are the necessaries  
 except the turf which tho' a little wet loading makes  
 a good durable fire

1. Wardenmaid Browne not to be taken back and a new  
 advertisement to issue for the appointment
2. Maggie Gray's temporary employment approved
3. Waterbed &c procured by the Master on the requisition of the  
 Medical Officer approved

The Reports of the Master and other Officers were read, and Orders made thereon, as follows:—

- 4. The report on the disused sheds referred to Visiting Committee for report
- 5. Report on provisions re. "Read"

Medical Officers Report.

Gentlemen. I see the turf supplied in the Wards of the Hospital is very bad I noticed today especially the turf in the Women's Ward upstairs was quite sodden and the poor old creatures who have to depend on it for comfort are in a bad way.

I sent a specimen of Patrick Burke's sputum to Dr. McWeeney for microscopic examination the boy being infected in my opinion with Phthisis (Consumption). This morning a report has come back confirming the view of Tubercular infection. This is most pitiable. The boy's father is at present dying in the hospital here of Consumption. There are I think 5 or 6 other little children brothers and sisters of this boy living under most insanitary surroundings. They are all young children and in my opinion everyone of them will develop Phthisis in fact may be at the present

The following Orders of the Local Government Board for Ireland were laid before the Board, and directions given thereon, as follows:—

Lt. B. Letter No 4933. Dated 29th January 1908  
Forwarding a supply of the prescribed forms  
not hitherto transmitted &c

Lt. B. Letter No 4933. Dated 28th January 1908  
Referring to the Guardians proceeding on the  
22nd instant and stating that if the  
Guardians propose to adopt the Government's

necessary for them to pass a resolution in  
the matter similar to the one passed on the 18th

instant with regard to the need for seed potatoes.  
Resolved: We the Board of Guardians of the Clifden Union  
do hereby resolve that we consider the occupiers of  
land in all the Electoral Divisions of the Union

of the failure of the Crops to procure an adequate  
supply of seed oats and that we shall at a  
meeting to be held on this day three weeks take  
the necessary steps with a view of applying to  
the Local Government Board for Ireland for a

It was Resolved. That the Guardians representing  
each Electoral Division receive the applications

The Clerk's Report of Vaccination was read (this on the first meeting in every month).  
Number of successful cases:—

The Report of the Visiting Committee was read, and Orders were made thereon, as follows:—

As members of the Visiting Committee we visited the House today for the purpose of seeing to the repairs &c required. We recommend that three chimneys in the main building be taken down as far as they are defective and that they be re-built and three in the Hospital to be made staunch with lead flashing and the upper portion of them to be repaired with Cement. That the new Cement chimney in Hospital be also made staunch.

In the yard we recommend a disused old building be removed and in boys yard a similar old building exists which should also be removed. In the Laundry yard the disused old bath-house, wash-house and old flaked walls which are useless and dangerous be disposed off to the best advantage.

We also recommend that the loose ridge tiles and loose slates on the main building be made good.

We consider it better to discontinue the present turf house as it is unsafe for persons going into it, and there are plenty empty buildings which could be utilized for this purpose.

J. J. Connolly  
Michael Joyce

A discussion took place as to whether the report ought to be approved or not when the following members went to inspect the buildings

Reference No. and Date	Subject Matter	Order of the Board thereon
L.G. B. Letter No. 963.	Dated 28th January 1908.	
	In reference to the Report of the Medical Inspector Lis Acheson MacLullaigh.	
	Read following explanation Gentlemen	
	In reply to your letter of the 31 <sup>st</sup> instant I beg to state that the District of Renyffe is very large, I do often be out twice a week on cases 10 miles away. The people around here are very poor and my salary is so small that I take two shillings, and six pence and three shillings from them and then I am not entitled to a ticket. I sent the midwifery book to Clifden by D. MacDonnell in 1907.	
	Yours obedient servant Annie Joyce (midwife Renyffe)	
	Considered Satisfactory	
	Gentlemen. With reference to Lis Acheson MacLullaigh's report I beg to state that I cannot remember at any time neglecting my duties. I have never yet been called and failed to attend. I was granted leave by the Guardians and this is the only time I have been absent.	
	Yours obedient servant H. Greene District Nurse.	
	Considered Satisfactory.	

The following Letters and other communications were read by the Clerk, and orders were made on them respectively, as follows:—

Date	From whom	Subject Matter	Order of the Board thereon
		Moyard Letterfrack H: 2: 08.	
	Lis	When doing duty for Dr. Gosham in Clifden No. 1 Dispensary District I received a notice "red ticket" to attend the son of a licensed publican Mrs. E. Sling. I was surprised to get this ticket, especially when making inquiry I found the aforesaid publican was so very well off. It can scarcely be said that this woman is a proper person for attendance under the Medical Charities Act. I consider it a gross abuse and as a protest I request the Guardians will be good enough to cancel the ticket.	
		I am &c J. R. W. Donnell M.D.	
	Clerk	Clifden Board of Guardians	
		The proposition on being put to the Board the following members voted against:— Messrs J. M. Ryan, J. Conolly, M. Joyce, W. Connor, W. A. J. Lyden, P. J. Lyden and J. J. Lyden.	
		There were seventeen members in attendance. The ticket was accordingly cancelled.
