recommended to be destroyed by me upon which  
a severe case of Typhoid fever rested for many  
weeks in the Fever Hospital and were unfit

for further use. I wish to say I am not an  
expert in valuing these articles with a view  
to recompense Mrs Ward mother of the patient  
for the loss of these articles. I have had  
consultation with many people who know  
the value of feathers, ticking &c and  
we have come to the conclusion that the

In the large male ward there are two beds without wire woven mattresses. A patient lies on one or rather a board placed on the broken mattress to keep him from falling through. There are altogether seven beds in the female ward, the mattresses of these beds are broken and unfit for use. In my report on the 9<sup>th</sup> August I referred to the want of shirts in the male & female wards and the want is still unsupplied. The feather pillows in the wards require to be recovered with good strong ticking as the feathers are escaping and the patients cannot lie comfortably upon them. I consider this state of affairs very serious.

Application of (Mrs) Mary Kenny of Letterfrack  
 for an allowance  
 on behalf of her son James Kenny who through serious illness is totally disabled and consequently unable to contribute as much as a penny towards his own maintenance for the past four months, and until recently an inmate of The Clifden Union Hospital, under Dr. Goran's care,

Letterfrack,

16<sup>th</sup> October 1911.

To  
 The Chairman and Members of  
 The Clifden Board of Guardians,  
 Board Room, Clifden,  
 Galway.

I beg to apply on behalf of my son James Kenny aged about 28 yrs, (who subscribes his name to this application) for an allowance from your Honourable Board, to assist me in supporting him (while he remains owing to disability through illness brought on through no fault of his own unable to contribute towards his own support,) and as I consider owing to the nature of his disability that he would stand a better chance of finally recovering under my immediate care at his home and would be much less a burden on the rates than if he were in hospital, I take this course after careful consideration as I am no longer able to support him without assistance from your Board. Gentlemen, I beg to add, that my son was until recently an inmate or patient of The Clifden Union Hospital, and under the immediate care of Dr. Goran, who is thoroughly conversant with his case (Bone disease) and for whom

(Continued)

(Continuation Page)

He entertains the greatest respect and gratitude,  
 However I found upon visiting my son at the hospital  
 that the bed which he occupied was bad and old with  
 a great hollow worn in the centre of it and I found it  
 necessary to supply pillows, etc. in order to try and  
 make the bed fairly easy for a patient to rest on,  
 In fact my son had his caps placed underneath his hips  
 to prevent the old springs from hurting him, I had  
 also to supply food that was suitable to ~~me~~ him  
 otherwise I don't think he would bother you for assistance  
 now, as the food supplied in the hospital was of the  
 poorest kind, So being his mother I took him home  
 and he has improved in appearance well since,  
 In conclusion I beg to add that my son was seen by  
 D<sup>r</sup> M<sup>r</sup> Donnell of Ardara, D<sup>r</sup> M<sup>r</sup> Donnell of  
 Letterfrack, and The Rev Canon M<sup>r</sup> Andrew  
 as well as M<sup>r</sup> Michael Muller, D.C, and M<sup>r</sup> Lloyd, R.O.  
 And any of these gentlemen will I am sure bear me  
 out when I state that my case is not only genuine  
 but necessitous as I have only to look to my own  
 exertions for a poor but honest livelihood for both of  
 us, Thanking you gentlemen for <sup>in</sup> ~~for~~ anticipation  
 of a favourable consideration of this appeal

I beg to remain,  
 Gentlemen  
 Your obedient Serv<sup>t</sup>  
 Mary Henry

Death of Mr. John. J. Connolly. J.P. Chairman of the Board of Guardians — both Meetings stand adjourned.

Before proposing the Resolution Mr. Burke who spoke very feelingly said:— as regards Mr. Connolly's nationality, great energy and ability in discharging all his public duties, both on the Bench and the various Boards and Committees with which he was connected. proposed the following resolution Resolved: That we the members of the Board of Guardians and Rural District Council place on record our deep regret for the great loss we have sustained by the death of our late Colleague — Mr. J. J. Connolly J.P. Chairman of the Board of Guardians. He never spared his great energy and wonderful ability in the discharge of the many public duties which were placed upon him, and we feel that through his demise the whole Country but particularly the poor have suffered a great loss, that we now adjourn our Meetings without transacting any business as a mark of respect to his memory and we beg to tender to his sorrowing relatives our sincere sympathy in their great affliction.

Mr. Joyce in seconding the resolution said he endorsed the remarks made by Mr. Burke, and spoke at some length as to Mr. Connolly's valuable services.

The Chairman before putting the resolution said he regretted the occasion had arisen. By the death of our Chairman Mr. Connolly, we have lost an able advocate — a true-hearted Irishman and
